Subject: INVITATION TO THE 66th PSME NATIONAL CONVENTION

Dear Sir/Madam,

The 66th National Convention (66th NATCON) of the Philippine Society of Mechanical Engineers will be held on October 17 to 20, 2018 at SMX Convention Center, Pasay City, Philippines with the theme "PSME: Engaging the Mechanical Engineers and Upholding the Profession Towards Excellence"

Our mission and duty to equip the Filipino Mechanical Engineers with competitive advantage over foreign competition will again be vigorously pursued in the 66th NATCON to give the delegates the full experience of the value of membership to the PSME.

RENOVED TECHNICAL SPEAKERS.

We have lined-up local and foreign experts to conduct technical seminars in the following fields: Power, Renewable Energy, Energy Management, HVAC, Fire Protection, Facility Maintenance, Boiler Operation and Maintenance, Non-Destructive Testing, Project Management, Manufacturing Technology, Water Treatment, Safety Engineering and Personality Development. We have invited also industry leaders and high government officials to enable the delegates to learn the industry’s and country's strategic directions and policies.

GLOBAL RECOGNITION.

For global recognition, our 66th NATCON will have workshops on how to become ACPE, APEC & ASEAN Engineers. The workshops will be designed so that at the end of the workshop, the attendees will be made to fill-up forms and submit documentary requirements to start the process of the ACPE, APEC and ASEAN Engineers certification/registration.

There will be a workshop on how to become a Professional Mechanical Engineer (PME), on professional practice, on the implementation of R.A. 8495 and of R.A. 10912 or the CPD Act of 2016.

3rd POWER & RENEWABLE ENERGY CONFERENCE

"PSME: advance your career."
The Conference on Power and Renewable Energy (PSME POWERCON) will be on its 3rd year. We will be inviting policy makers, industry players, consultants, technical speakers and PHILMACH exhibitors who are from, or active in, the power and renewable energy to discuss current issues affecting the sector.

2nd FIRE PROTECTION TECHNICAL CONFERENCE & EXHIBITION

Now on its 2nd year, the Conference on Fire Protection & Safety (PSME FIRECON) aims to enhance the technical knowhow of fire safety practitioners and designers. Extensive discussion on revisions in the Fire Code of the Philippines with the assistance of the Bureau of Fire Protection will be the main topic of the conference.

2ND MAINTENANCE TECHNICAL CONFERENCE

The 2nd Plant Engineering & Maintenance Conference (MAINTCON2) will be held as a co-located event of the 66th NATCON. This is a 1-day event dedicated to the improvement of facility reliability and efficiency and will include technical presentations on various maintenance technologies including NDT technologies.

2ND HVAC/Re TECHNICAL CONFERENCE & EXHIBITION

The latest technologies in the field of air-conditioning will be presented by leading experts in the field. The HVAC/Re CONEX#2 will also showcase products and industry solutions.

8th PHILIPPINE MACHINERY INDUSTRIAL EXHIBITION (8th PHILMACH)

Last year, almost 10,000 came to visit the trade booths. The PSME PHILMACH has now become the Philippines’ biggest industrial equipment and components exhibition occupying the entire ground floor of the SMX Convention Center. Find the Products and Solutions you are searching for from Local and International exhibitors.

CONTINUING PROFESSIONAL DEVELOPMENT (CPD)

As the only PRC-Accredited Integrated Professional Organization for Mechanical Engineers and Accredited CPD Provider, PSME is giving all delegates the opportunity to earn CPD credit units. At least 24 CPD hours of technical seminars and learning activities will be offered during the 66th NatCon.

Technical papers on water treatment, environment, safety and health and manufacturing technologies will also be presented in addition to personality development seminars.

PARTNERS/ENDORSEMENTS

The PSME National Convention is supported or endorsed by the following government offices: Office of the President, Senate, House of Representatives, PRC-BME, DPWH, DOTr, DOLE, DOST, DTI, CHED, DOE, BFP.

MORE FUN IN THE 66th NATCON.
The 66th NATCON is an opportunity to rekindle the bond between friends and between chapters, and to take a break from job related stresses. We will have a fellowship night to remember and an awarding ceremony befitting the challenges confronted and hardwork exerted by the honorees.

CHEAPER NATCON FOR DELEGATES.

The 66th NATCON aims to lower the total expenses of the delegates. We have removed meals in the registration fees, effectively lowering it by almost half. Delegates can choose the food suited to their taste and budget. We will have food stalls in the venue. Delegates can also opt to go to SM Mall of Asia Food Court. We have also asked hotels near the venue to offer discounted rates to delegates.

Your registration fee is still subsidized by PSME by about 50%.
