Interested in applying for PSYPACT authorizations? Here’s how.

To apply for an E.Passport, the first step is to visit www.psypro.org to initiate your application. You will do this by selecting “Practicing Telepsychology under PSYPACT” from the select an activity section within your account. Once your payment information has been processed, you will be taken to your home page where you will need to click the “edit” button beside the E.Passport line item. This will bring you to your application checklist. Please do be sure to request your official transcript from your degree granting institution to be sent in directly to us at transcripts@asppb.org or mailed to PO Box 849, Tyrone, GA 30290.

To complete your application, please click “edit” beside each of the items within the E.Passport application checklist. Once your official transcript has been received and attached to your E. Passport application, you will then be able to submit your application for review. Once the application has been submitted for review, we do have a 4-6 week turnaround for the processing and review of all applications. You will receive an email once your application has been reviewed with information on next steps.

Once your E.Passport has been approved, you will be able to complete and submit your APIT application. Log into your PSYPRO account and click “edit” beside the APIT line item. This will bring you to your APIT checklist, you will then need to click “edit” beside Home State Declaration. Choose the PSYPACT state in which you are fully licensed AND physically located in. Once your home state is selected, submit your APIT application for review. Once your APIT application is approved, you will receive a final email. You will also be issued your official APIT Authorization Document which can be found within the Licensure section of your Credentials Bank at www.psypro.org.

To apply for an IPC, the first step is to visit www.psypro.org to initiate your application. You will do this by selecting “Practicing Temporarily under PSYPACT” from the select an activity section within your account. Once your payment information has been processed, you will be taken to your home page where you will need to click the “edit” button beside the IPC line item. This will bring you to your application checklist. Please do be sure to request your official transcript from your degree granting institution to be sent in directly to us at transcripts@asppb.org or mailed to PO Box 849, Tyrone, GA 30290.

To complete your application, please click “edit” beside each of the items within the application checklist. Once your official transcript has been received and attached to your IPC application, you will then be able to submit your application for review. Once the application has been submitted for review, we do have a 4-6 week turnaround for the processing and review of all applications. You will receive an email once your application has been reviewed with information on next steps.

Once your IPC has been approved, you will be able to complete and submit your TAP application. Log into your PSYPRO account and click “edit” beside the TAP line item. This will bring you to your TAP checklist, you will then need to click “edit” beside Home State Declaration. Choose the PSYPACT state in which you are fully licensed. Once your home state is selected, submit your TAP application for review. Once your TAP application is approved, you will receive a final email. You will also be issued your official TAP Authorization Document which can be found within the Licensure section of your Credentials Bank at www.psypro.org.

First you will need to decide which method you would like to provide services under the authorization of PSYPACT.

Option 1: Telepsychology authorization

E. Passport

Option 2: Temporary in-person, face-to-face authorization

Authority to Practice Interjurisdictional Telepsychology (APIT)

OR

Interjurisdictional Practice Certificate (IPC)
