Dear Members,

By the time you are reading this Ride for Life will be just one week away. We are excited about our continued opportunity to partner with the Johns Hopkins Breast Center to support such a worthy cause. I dare say that almost all of us know someone who has been impacted by this disease. We are especially pleased that the monies we raise will help fund a Breast Center Fellow enabling he/she to train with some of the best in the field at the Breast Center. We thank all of our sponsors including USDF, County Saddlery, Toll Brothers, Thienel Law Firm, Mid Atlantic Farm Credit, Walker Poole Insurance, Adrienne Wisenberg and Pierre Renard Embroidered Designs, to name a few. For a complete list visit our Ride for Life website. If you are undecided about whether or not to attend this year, join us for some of the area’s best riding and our competitive, Saturday afternoon FEI Freestyle offering prize money.

In other news Jackie Sicoli, of POM Dressage, has stepped down from our Board to focus on growing her own business. We wish her the best of luck and thank her for her dedication and hard work. Claire Lacey was elected by the Board to fill the position of Education Chair. She invites you to contact her with ideas at camelot108@gmail.com.

As always, your Board is available to answer questions. Please contact us and remember that all Board meetings are open and everyone is welcome!

Happy Riding!

Mary Sue

**Changes to Year-End High Score Awards**

Have you ever missed out on winning a Year-end High Score Award because your horse went lame just before the last show where you hoped to earn the last scores you needed to be eligible for the award? Or, have you missed out on winning an award because you ride a horse from a large lesson barn and were not able to ride the same horse in every show? If so, hopefully you will like this new change to the requirements.

PVDA has recently recently added a “Multiple Horse” clause to the list of requirements to earn a Year-end High Score Award at the end of the show season. Historically the Year-end High Score Awards have been awarded to a single horse and rider combination that meet the award class eligibility requirements. But now, PVDA is allowing a rider to ride multiple horses and still meet the eligibility requirements for their class. Please review the new rules on the PVDA website at http://www.pvda.org/awards_pages/year-end-high-score-awards/. If you have any questions, send an email to highscores@pvda.org.
The Catoctin Chapter has had a busy late winter and spring/early summer. We now have a web site at http://catoctinpvda.weebly.com, which includes chapter information, officers, membership information, activities list, the 2015 calendar, show information, photos, and how to contact us.

Our annual planning meeting was on January 11 at Stephanie’s lovely new house. Amid a plentiful pot luck lunch, we planned chapter activities for 2015. At the January PVDA Awards Banquet, the chapter won the 2014 PVDA Most Active PVDA Chapter Award for a chapter with less than 25 members.

Our “Ask the Judge” session on February 19 with Heidi Berry (S) was very successful and was reported in the April 2015 PVDA Newsletter.

Due to its success last year, on April 18 we again held a clinic with Cathy Echternach. All participating chapter members were pleased with Cathy’s expertise and her many approaches to training and riding issues.

The chapter’s annual in-hand and dressage schooling show was held on May 9 at Plantation Valley Stables in Middletown, MD. We had a fun and successful show and judge Dilly Jackson (L) provided very constructive comments and suggestions. The under saddle high score winner was riding in her first show (and her horse’s first show); they are now planning to enter in more shows! Show results are available on the chapter’s web site.

The Catoctin Chapter meets the third Thursday of the month, usually at The Diner in Myersville, MD. New members are welcome at any time. Contact the chapter chair, Debbie Lomb, at DebbieLomb@hotmail.com for further information.
Mountain Harmony Drill

Report and photo submitted by Cathy Whipp

Mountain Harmony is proud to announce that our group is growing and because of that growth we have split into two groups. We now have a MHQT – youth rider group that meets at Celebration Farm on Sundays at 1pm and a MHQT – adult group that meets on Fridays at 6pm.

The MHQT Youth team had the privilege of doing a demo ride at Oakdale High School’s Agricultural Day, Plant and Bake Sale. They also continue to work hard at practicing and preparing for their first show on June 5th, and will be holding practices on Sunday June 14th and 28th.

The MHQT Adult team is hard at work at having fun, learning the moves, and preparing a freestyle. Their meeting dates are on Friday June 12th and 26th.

The Mountain Harmony Chapter of PVDA is a Quadrille Drill Team based out of Celebration Farm in Union Bridge, Maryland. Mountain Harmony Quadrille Team combines dressage with music to create an artistic, technical and entertaining performance. Our goal is to have fun and work together as a competitive team. MHQT – Mountain Harmony Quadrille Team welcomes both youth and adult riders, as well as horses and ponies of all breeds. Every horse and rider can have fun with Mountain Harmony Drill Team.

For more information please contact Cathy Whipp at cawhipp@comcast.net or 301–807–8758. You can also join the Mountain Harmony Quadrille Facebook page to stay up to date on our activities.
Visual Spatial Awareness and Processing (peripheral vs. focal)
“Over 70% of all the sensory information in the brain is visual, and only a portion of that is related to the ‘picture’ we see. Visual processing can ‘override’ information from other senses and ‘overpower’ other skill areas.” (Postural Visual Integration - PRI®)

Ability to move Eyes/Head/Neck, independent of each other AND independent of the Body depends on cranio-cervical-mandibular positioning and where our teeth hit when we bite down (occlusion)

Ability to execute movement in a Reciprocal and Alternating fashion
i.e., opposite arm and leg swing coordinated with opposite trunk and pelvis rotation through the appropriate phases of the gait cycle

Respiratory integrity of Left and Right diaphragms
Diaphragmatic Zone of Apposition = your core

* Emotions/Behaviors/Perceptions modulate all of the above *

What is the underlying cause of your specific riding challenge(s)?

PVDA Schooling Show

Lucky Cricket Farm, Huntingtown, Md • May 3, 2015

PVDA wishes to thank
Mary Russell for managing this show

May 3 was a beautiful day at Lucky Cricket Farm LLC which went well with the beautiful dressage rides. A big thanks to our judge: Jocelyn Pearson and volunteers: Abby Krohn, Bridget Dellar, Elaine Bailey, Ella Morrissey and Marilyn Jackson. Thank you to everyone who brought food! The pot luck lunch was great! By noon we turned on the fans in the indoor arena and broke out the popsicles. High Score for the show was 73.269% at Training Level ridden by Bridget Dellar on SA Pentacle, an eighteen year old Arabian owned by Mary Russell. The youngest rider of the day (age 11) competing in her first PVDA schooling show was Ella Morrissey riding Ensign's Image, a thirty-one year old Morgan owned by Mary Russell. There were many very good rides today!

MAY PVDA BOARD MEETING

Date: May 4, 2015; Meeting #550
Location: Linda Speer’s Farm in Clarksville, Md.

ATTENDANCE
Board Members Present: Betty Thorpe, Carolyn Del Grosso, Rebekah Lusk, Valerie Mallder, Mary Sue McCarthy, Mimi Mack, Claire Lacey, Meghan Truppner, Debra Nissen, Claire Lacey, Meghan Truppner, Camilla Cornwell

Members Absent: Moea Goron-Licicione, Annmari Ingersoll, Jaclyn Scoli

Assoc. Members Present: None

New Business:
Mary Sue reported that Jaclyn Scoli has resigned from the board. Many thanks for her years of service and work as Chair of the Education Committee. Claire Lacey was nominated to become the new Chair of the Education Committee and she accepted.

COMMITTEE REPORTS

Awards: Valerie presented a well documented proposal to answer the problem for end of year awards for junior riders at lesson barns who are not able to complete requirements due to losing their ride on a single horse. The proposal, which can be implemented this year, was to change the requirement at Intro, Training and First Level from the minimum of 7 test scores with the same horse to 2 tests scores on a different horse permitted but not required. At Second, Third, and Fourth Level, the change would be from 5 test scores with the same horse to a minimum of 1 test ridden on a different horse permitted but not required. This change to the proposal was to allow Adult riders the same perk. This addition will increase the work load for tabulating end of year scores. Linda and Christina volunteered to help with this. The proposal was passed.

Chapters: Claire reported that one request from a chapter member was for Board Members to be identified at PVDA activities. Linda said the ribbon company has rosettes she could order for this purpose for board members to wear.

Finances: CD: $15,107.09; Chapter funds: $13,102.18; Corporate Checking: $14,756.56; PVDA Paypal: $810.02; Schooling Show Fund: $764.21; Total $44,540.06.

Fundraising/Marketing/Sponsorships: Vendors are signing up for the Ride for Life. Dover will no longer be a sponsor but will donate some saddle pads. Rebekah will reach out to VTO and Ride Times. County Saddlery will donate a saddle for the raffle. FICS will donate awards as well as a vendor. We still need a sponsor for cash for the Freestyle prize money which we hope will be $1,500 or as much as $2,500. We also need a sponsor for the volunteer T-shirts.

Membership: Total is 716. Adult: 459; Senior: 66; Family, Supporting: 57; Family, Primary: 52; Junior Affiliate: 48; Life (Adult): 18; Young Adult: 11; Patron: 3. Business Affiliate: 2.

Ride for Life: A local drill team of Icelandic ponies has requested to exhibit their drill team at the show. This should be a crowd pleaser and it was hoped to make a spot for them either at lunch or before the FEI Freestyle class. The trick is to fit them in between ring drags and when they might draw an audience.

Volunteers: The new volunteer gift, an insulated lunch bag, is in and available.
