A. **Purpose**
   1. To keep the membership informed of all changes in government and industry regulations and codes as we become aware of them.
   2. To inform the Board of Directors of any gaps in our education and certification programs that need to be addressed in light of such changes.

B. **Responsibilities**
   1. To advise the Board of Directors of any proposed or new legislation/regulation that may require action by RETA to properly inform our members.
   2. To maintain meaningful dialogue between sister-organizations such as IIAR, IARW, RSES pertaining to regulation/code activities for purposes of awareness and preparedness of our members.
