

The Royal Institute of Navigation Younger Members' Group

Calling early career researchers and professionals in navigation!

Join the newly-formed RIN Younger Members' Group to:

- Develop **academic-industry connections**
- **Influence the future** events and activities of the RIN
- Be part of a **navigation community**
- **Engage** with other young people in the field
- Access **relevant resources**
- **Develop your career**
- **Reach out** to the next generation of navigators

Our vision is to
be an inclusive
group of diverse
disciplines
working together
for a more
navigable world.
