

SCCT – WHO WE ARE

VISION

SCCT is the international professional society representing physicians, scientists and technologists advocating for research, education and clinical excellence in the use of cardiovascular computed tomography.

MISSION

The Society of Cardiovascular Computed Tomography is a professional medical membership organization that addresses all issues pertaining to the field of cardiovascular computed tomography. The mission of SCCT is to:

- » Foster optimal clinical effectiveness of cardiovascular CT through professional education, establishment of standards for quality assurance and professional training, and development of evidence-based guidelines for its use to enhance patient care and improve the quality of cardiovascular medical practice
- » Ensure state-of-the-art application of cardiovascular CT through training and accreditation
- » Support coordinated research efforts to promote further development and applications of cardiovascular CT, and to investigate accuracy, effectiveness, and cost-effectiveness in cardiovascular diagnosis
- » Serve as an advocate for cardiovascular CT in all interactions with the health care industry, medical policy development, and reimbursement organizations
- » Cultivate close working relationships with other related societies

SCCT RULES AND REGULATIONS

AGREEMENT TO THE RULES AND REGULATIONS

The following rules and regulations governing the Exposition under the auspices of the Society of Cardiovascular Computed Tomography (SCCT) are part of the Exhibit Space Application & Contract and constitute a binding contract between the Exhibitor and SCCT. They have been formatted in the best interest of the Exhibitor, and we ask full cooperation of the Exhibitor in their observance. Any detail not specified is subject to decision by SCCT.

ENFORCEMENT OF RULES AND REGULATIONS

As a condition for exhibiting, each exhibitor shall agree that they, their employees, and their agents will observe all SCCT policies and regulations as described in the prospectus. SCCT reserves the right to restrict and/or dismiss at any time any exhibit that SCCT deems undesirable. Any exhibitor who begins dismantling or packaging their exhibit and/or exhibit materials prior to the official close of technical exhibits may not be permitted to participate in future SCCT expositions.

APPEARANCE OF EXHIBITS

Any part of a booth that has unfinished sides or end panels must be draped at the exhibitor's expense. A booth must lend itself to an attractive appearance. Meeting Management reserves the right to have such finishing done at the exhibitor's expense. The Exhibit Hall is carpeted; additional floor covering is not mandatory, but it is available.

IN-LINE BOOTHS

The backs of booths may not be more than 8' high, and sides may not exceed 3' high. All in-line booths will be provided with an 8' high back wall drape, 3' high side drapes, and a standard booth sign with company name.

ISLAND BOOTHS

Overstatement in design should be avoided. Exhibits must be constructed in compliance with the Americans with Disabilities Act of

1991. An island booth may extend to all outer edges of the booth space, but the design of the booth must allow accessibility from all four aisles and sufficient see-through areas so as not to block the view of the adjacent exhibits. All building materials including those that are "see-through" or "sheer," such as glass or fabric, will be considered as potential visibility blockers when SCCT reviews island floor plans. All island booths are required to submit a blueprint and/or photograph of the booth design by May 5, 2017.

RESEARCH ROW TABLETOP DISPLAYS

A research trial may attach a banner up to 6' wide to the front of the table. Backdrops and freestanding banners are not permitted.

LIABILITY

Each exhibitor agrees to protect, indemnify, and hold harmless SCCT, Shepard Exposition Services, Marriott Marquis Washington DC and their officers, directors, agents, and employees from any claims, liability, damages, or expenses asserted against them or incurred by them as a result of or in connection with, any loss of or damage to property, or injury to persons resulting from, arising out of or in any way connected with negligence, wrongful acts, or breach of contract by the exhibitor, its agents, or employees. Exhibitors are encouraged to insure themselves against property loss or damage and against liability for personal injury. It is further understood and agreed that SCCT shall in no event be liable to an exhibitor for any loss of profits, sales, business opportunities, or any other type of direct or consequential damages alleged to be due from breach of this contract. It is understood and agreed that the sole liability of SCCT to any exhibitor for any breach of this contract shall be for the refund of all amounts paid by the exhibitor pursuant to this contract as an exclusive remedy.

INSURANCE

The exhibitor shall, at its sole cost and expense, procure and maintain, throughout

the term of the contract for exhibit space, comprehensive general liability insurance against claims of bodily injury or death and property damage occurring in, upon or resulting from the premises leased. The general liability insurance shall name SCCT, Shepard Exposition Services, and Marriott Marquis Washington DC as additional insureds. Such insurance shall include contractual liability and products liability coverage with the combined and single limits of liability of not less than \$1,000,000. The exhibitor shall be required to provide SCCT with said certificate of insurance indicating the appropriate insurance coverage by May 5, 2017.

CONTRACT FOR SPACE

The application for space and the official notice of assignment constitute a contract for the rights to use the space allotted. A completed application for space with deposit and all requested information must be received by mail, email, or fax:

MAIL: Kristin Stierle, SCCT
415 Church Street NE
Suite 204
Vienna, VA 22180

EMAIL: kstierle@scct.org

EXHIBIT BOOTH REPRESENTATION

Booths must be kept open and staffed daily during scheduled exhibit hours by exhibitor's staff. Breaking down or packaging up of materials earlier than 3:45 pm, Saturday, July 8, 2017, is prohibited.

AUDIOVISUAL AND SOUND

Audiovisual and other sound effects must be regulated so that they do not disturb neighboring exhibits. SCCT reserves the right to determine the point at which sound interferes with others and must be discontinued.

HOSPITALITY/PRIVATE MEETINGS

Exhibitor-sponsored hospitality functions and private meetings must not conflict with any scheduled conference activities and must be approved by SCCT. Additional fees apply. Contact SCCT for more details.

SCCT2017

SCCT RULES AND REGULATIONS

PRINTED MATERIAL DISTRIBUTION/CANVASSING

Canvassing in any part of the facilities utilized by SCCT is strictly prohibited and anyone doing so will be requested to leave the building. Distribution of advertising or printed material by an exhibitor outside of the exhibitor's allotted space will not be permitted.

SELLING OF PRODUCTS AND SERVICES

The purpose of exhibiting is to further the education of meeting attendees through product and service displays and demonstrations. Sales and order taking are permitted provided all transactions are conducted in a manner consistent with the professional nature of the meeting. No signage or advertising of product pricing will be allowed. SCCT reserves the right to restrict sales activities that it deems inappropriate or unprofessional.

EDUCATIONAL EVENTS IN EXHIBIT BOOTHS

Exhibiting companies must inform SCCT, in writing, of all educational events offered in their exhibit booths. Notification letters must include a description of the event identifying content, date, time, format, and names of physicians involved in the delivery of the educational content.

SUBLETTING OF EXHIBIT SPACE

Exhibitors are prohibited from assigning or subletting a booth or any part of the space allotted to them. Nor shall they exhibit or permit to be exhibited in their space any merchandise or advertising materials that are not part of their own regular products or services.

RELOCATION OF EXHIBITS

SCCT reserves the right to alter locations of exhibits as shown on the official floor plan, if it is deemed to be advisable or in the best interests of the Annual Scientific Meeting.

AMERICANS WITH DISABILITIES ACT

Each exhibitor shall be responsible for compliance with the Americans with Disabilities Act of 1991 within their assigned exhibit space.

CANCELLATION OF EXPOSITION

In the event of cancellation of the SCCT2017 Exposition due to fire, strikes, governmental regulations, or causes that would prevent the scheduled opening or continuance, then and there upon, exhibitors and SCCT have no further obligations to each other, and SCCT management shall determine an equitable basis for the refund of such portion of exhibit fees as is possible, after due consideration of expenditures and commitments already made.

CONDITIONS OF CONTRACT TO EXHIBIT

Exhibitors agree to abide by the conditions of the contract stated in the SCCT2017 Exhibitor Prospectus. Exhibitors accept responsibility for informing all of their employees of these conditions and agree that they will abide by them also.

INDUSTRY GUIDELINES

The purpose of the SCCT Exposition is to allow companies an opportunity to meet one-on-one with healthcare professionals to inform them of the latest developments in equipment, supplies, technology, and services available. Adherence to the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support is mandatory. Standard 4.1 states, Arrangements for commercial exhibits or advertisements cannot influence planning or interfere with the presentation, nor can they be a condition of the provision of commercial support for CME activities. Standard 4.2 further states that Live (staged exhibits, presentations) or enduring (printed or electronic advertisements) promotional activities must be kept separate from CME.

A. Exhibit fees are separate and distinct from educational grants. (They are not considered commercial support.)

B. Exhibit fees are set by SCCT for each activity prior to solicitation and are standardized for that activity; SCCT may set different fees for industry, not-for-profit organizations/foundations and publishers; potential exhibitors will have equal access to purchasing exhibit space (first-come, first-served basis).

C. All exhibitors will be situated in a room or area separate from educational activities, and the exhibits must not interfere or in any way compete with the learning experience prior to, during, or immediately after the activity.

D. Commercial interest (pharmaceutical/industry) representatives may attend CME/CE activities at the discretion of SCCT for the direct purpose of the representatives' own education; however, they may not engage in sales or marketing activities while in the space or place of the educational activity. If a representative wants credit for attending the course, he/she must pay the full SCCT2017 meeting registration fee. Complimentary attendance will not be linked to offering commercial support. See

ACCME STANDARD FOR COMMERCIAL SUPPORT 4.1.

Exhibitors are reminded of the Food and Drug Administration (FDA) regulations on the promotion of investigational and pre-approved drugs and devices. Exhibitors are also cautioned about FDA prohibition of promoting approved drugs for unapproved purposes.

Exhibitors must comply with the standards established by the Accreditation Council for Continuing Medical Education (www.accme.org), the American Medical Association's Ethical Opinions on Continuing Medical Education and Gifts to Physicians (www.ama-assn.org), the Food and Drug Administration regulations regarding industry-supported scientific and educational activities (www.fda.gov), the revised PhRMA Code on Interactions with Healthcare Professionals (www.phrma.org), and the revised AdvaMed Code (www.advamed.org)

BEYOND EXHIBITING — WORKSHOPS

STRUCTURAL HEART: TAVR WORKSHOP — SPECIALTY HANDS-ON WORKSHOP

SCIENTIFIC SESSION EDUCATIONAL GRANT | \$8500

In this full-day hands-on program, expert faculty will present cases to attendees, who have an opportunity to manipulate the data on the workstations and learn how to use cardiovascular CT to optimize outcomes in TAVR/TAVI.

ADVANCED STRUCTURAL HEART: MITRAL VALVE-IN-VALVE, MAC, AND TMVR WORKSHOP — SPECIALTY HANDS-ON WORKSHOP

SCIENTIFIC SESSION EDUCATIONAL GRANT | \$5000

A half-day pre-program with didactic and hands-on learning which will afford the attendee a deeper understanding of how to segment the mitral annulus, determine appropriate fluoroscopic angulation, assess anatomical suitability, and the risk of LVOT obstruction.

FUNCTIONAL CT IMAGING OF CORONARY ARTERY DISEASE — CT MYOCARDIAL PERFUSION AND CT-DERIVED FRACTIONAL FLOW RESERVE WORKSHOP — SPECIALTY HANDS-ON WORKSHOP

SCIENTIFIC SESSION EDUCATIONAL GRANT | \$8500

Participants will have access to a state-of-the-art CT perfusion workstation to gain experience in manipulating and interpreting coronary CT angiography and myocardial CT perfusion with comparisons of CT results to reference standards such as invasive angiography, SPECT, and FFR. The workshop will include cases with reversible ischemia, myocardial infarction, and prior coronary intervention. Attendees will earn case credits for coronary CTA and perfusion imaging.

CONGENITAL HEART DISEASE AND CARDIOVASCULAR CT WORKSHOP — SPECIALTY HANDS-ON WORKSHOP

SCIENTIFIC SESSION EDUCATIONAL GRANT | \$8500

In this full-day workshop expert faculty will use a combination of work-station and a case based approach to discuss optimal acquisition and interpretation of CT scans in CHD. Participants will learn how to optimize CT image acquisition in adult patients with CHD.

SCCT2017

BEYOND EXHIBITING — WEBINARS

GUIDELINES IMPLEMENTATION WEBINAR SERIES

EDUCATIONAL GRANT:

TIER 1: ENGAGE THE SERVICES OF AN OUTSIDE PRODUCTION STUDIO: \$7,500 PER WEBINAR

TIER 2: USE THE GO-WEBINAR PLATFORM: \$3,000 PER WEBINAR

The Society of Cardiovascular Computed Tomography Guidelines Committee has developed guidelines for acquiring, interpreting, and reporting of cardiovascular CT to ensure adequate, safe, and efficient use of this modality. SCCT has developed these guidelines to provide physicians and technologists with educational tools to improve the diagnostic care of patients in the interest of developing systematic standards of practice for coronary CTA. Because of the highly variable nature of medical care, unique individual patient presentations and circumstances, approaches to patient selection, preparation, protocol selection, and interpretation, implementation of these guidelines may be varied. Therefore, SCCT will host a series of guideline implementation webinars to guide Physicians and Technologists on how to use the guidelines most effectively to improve patient care. As each new practice document is published in 2017 and 2018, SCCT will offer webinars to assist practitioners with implementing the principles.

THE GUIDELINES SCHEDULED TO BE PUBLISHED IN 2017 AND 2018 ARE:

1. Computed Tomography Imaging in Patients with Congenital Heart Disease, Part 1
2. Computed Tomography Imaging in Patients with Congenital Heart Disease, Part 2
3. CT Perfusion Guidelines
4. CAD-RADS™
5. Calcium Scoring Guidelines
6. Appropriate Use Criteria Guidelines
7. TAVR Guidelines
8. 2016 SCCT/STR Guidelines for Coronary Artery Calcium Scoring of Noncontrast Noncardiac Chest CT Scans

Sponsors will be recognized in all marketing material for the selected webinar including e-Blasts, on-line ads, social media promotion, and printed material.

RULES AND REGULATIONS: June 16, 2017. We agree to abide by all rules and regulations governing the exposition as printed on this contract, as well as to the provisions of the official Rules and Regulations governing the exposition as stated in this prospectus, which we accept as part of the agreement. We agree to pay the booth rental charge deposit on or before May 5, 2017. Failure to do so may result in the cancellation of assigned space. Should we elect to cancel on or before May 5, 2017, SCCT reserves the right to retain 50% of the contracted booth fee. Should we elect to cancel on or after May 5, 2017, SCCT reserves the right to retain 100% of the contracted booth fee unless the booth space is resold, in which case SCCT will retain 50% of the contracted booth fee. Sales and order taking are permitted provided all transactions are conducted in a manner consistent with the professional nature of the meeting. No signage or advertising of product pricing will be allowed. SCCT reserves the right to restrict sales activities that it deems inappropriate or unprofessional. This agreement, signed by a duly authorized representative of the company, must be received by the SCCT Office no later than May 5, 2017, and will constitute a binding contract for the amount indicated. Full payment is due to the SCCT Office by June, 16 2017. This agreement will become effective upon acceptance by SCCT.
