AUCTION INFORMATION

Coming off of a tremendous legislative victory for the well drilling industry, SCGWA is determined to continue building legislative and regulatory relationships by keeping our lobbying firm under contract. The annual fiscal impact of this exceeds our normal operating budget, so we will host our 26th auction during the Fall Meeting in the form of a Silent Auction for smaller items followed by a mini Live Auction for 2 or 3 larger items. We encourage you and your family members to come prepared to shop and to also donate an item to be sold. Help us protect and advocate for the water well industry in South Carolina.
