

## Erratum

The manuscript entitled, “MRI of Arrhythmogenic Right Ventricular Cardiomyopathy/Dysplasia,” by H. Tandri et al., pp. 557–563, vol. 6(2), 2004, was published as a “Case of the Issue.” The manuscript

should have been published as a “How I do...” The manuscript describes a optimal approach for CMR evaluation of patients with ARVD, which is frequently a difficult problem to detect.
