WHAT'S HAPPENING IN CONGRESS?

Congressman Jamie Raskin

Member of the House Judiciary and Oversight Committees

There are seemingly almost hourly updates on Congressional activities that focus on the House Judiciary or Oversight Committees. What does it all mean? And, where are the Congress and the country headed relative to all the inquiries and hearings? You may not get specific answers to your questions and concerns but you should have a better perspective of where it all may be leading after the presentation by COFFE's October luncheon speaker, **Congressman Jamie Raskin**.

Congressman Raskin proudly represents Maryland's 8th Congressional District in the U.S. House of Representatives. The district includes parts of Montgomery, Carroll, and Frederick Counties. Prior to his time in Congress, Raskin was a three-term State Senator in Maryland, where he also served as the Senate Majority Whip. He was also a professor of constitutional law at American University's Washington College of Law for more than 25 years.
