

SETAC Communities Rules of Conduct

The following are the rules and conditions of participation in all online SETAC groups and SETAC group pages such as advisory groups, committees and regional chapter forums, henceforth referred to as SETAC Communities. SETAC accepts no responsibility for the opinions and information posted on this service by others. SETAC disclaims all warranties with regard to information posted on this service, whether posted by SETAC or others; this disclaimer includes all implied warranties of merchantability and fitness. In no event shall SETAC be liable for any special, indirect or consequential damages, or damages of any kind whatsoever, resulting from loss of use, data or profits, arising out of or in connection with the use or performance of any information posted on this service.

By subscribing to and participating in this Community, users hereby agree to be bound by and warrant their full compliance with the following terms of participation: Do not post any defamatory, abusive, profane, threatening, offensive, or illegal information or material, and do not utilize the service in any illegal manner. Do not post any information or other material protected by copyright without the permission of the copyright owner. Do not use any words, logos, or other marks that would infringe upon the trademark, service mark, certification mark, or other intellectual property rights of the owners of such marks without the permission of such owners. Do not post any confidential information or any information that would infringe upon the proprietary, privacy or personal rights of others.

By posting material, the posting party warrants and represents that it owns the copyright with respect to such material, has received permission from the copyright owner, or that the material is in the public domain. The posting party further warrants and represents that it otherwise has the full and unencumbered right to post such material and that such posting will not infringe any rights or interests of others. In addition, the posting party grants SETAC and users of this service a nonexclusive, irrevocable license to display, copy, publish, distribute, transmit, print, and use such information or material in any manner, without payment to the posting party.

This service shall not be utilized in any manner that violates federal or state antitrust laws or other laws prohibiting anticompetitive practices. The antitrust laws generally prohibit any agreement or understanding inconsistent with the right and obligation of competitors to exercise independent business judgment in pricing their products or services, dealing with their customers and suppliers, and selecting the markets in which to compete. No express agreement or understanding is required; one can be inferred from statements or conduct..

All postings shall be of an informational nature and for informational purposes only. Commercial use or any other unauthorized use of this service is prohibited. Do not use the service to solicit or conduct business, including the direct or indirect marketing of users' products or services, in any manner. The service may not be used to provide information, materials, products, or services in exchange for compensation of any kind.

SETAC Communities are here to provide a friendly environment where users can discuss and share ideas, and SETAC Communities work best when participants treat their fellow posters with respect and courtesy. Therefore, we ask that you conduct yourself in a civilized manner when participating in these forums.

SETAC does not generally monitor this service for inappropriate postings, and does not on its own undertake editorial control of postings. However, in the event that any inappropriate posting or unauthorized use of the service is brought to SETAC's attention, including but not limited to prohibited posting and usage as outlined herein, SETAC will take all appropriate action, in its sole discretion. SETAC reserves the right to terminate, without prior notice, the service access of any user who does not abide by these guidelines.
