at The Golf Classic

More than 200 golfers and nearly 350 dinner guests enjoyed a delightful day in June at The Cherry Valley Club in Garden City as St. Francis Prep honored Vince O'Connor for his 50 Years as Varsity Head Football Coach.

In addition to the many alumni, staff, and friends who paid tribute to Coach O'Connor on that day, including dozens of former Prep football players, the school was happy to welcome Bill Parcells, former Giant and Jet coach and current coach of the Dallas Cowboys, together with former

Jet and current Cowboys quarterback Vinny Testeverde, both of whom were guests of Prep alum Dan Henning, Class of 1960, the current Offensive Coordinator of the Carolina Panthers (and a member of Bill Parcells' staff with the Giants and Jets).

Among the tributes was an all expenses paid trip to Ireland for Coach O'Connor and his wife Mary provided by the St. Francis Prep Alumni Board.

Prep classmates Walter Riebenack '57 and Jack Schneider '57 served as

Principal's Message

Dear Graduates and Friends of St. Francis Prep,

As I begin my 22nd year as Principal, I can reflect back on the 2003-04 school year with a sense of satisfaction and great hope for the future.

An incredible 99.4% of the members Class of 2004 are now enrolled in college (92.5% in four-year colleges and 6.9% in two-year colleges), including Cornell, Harvard, and Yale, and for a school with more than 500 seniors in its graduating class, this speaks volumes about our commitment to high quality education in a caring, disciplined environment.

Following the very positive Middle States evaluation process last year, our entire Prep Community, including our students, continue to be actively involved in implementing the action plan to achieve all our Middle States objectives by the year 2010.

This coincides with our plan to celebrate the school's 150th Anniversary in October 2008, at which time we will either be in the midst of, or about to begin, any number of major capital improvements, the breadth and scope of which will be determined in the coming months with the help of our Department Chairs and their staffs, and in keeping with our Middle States objectives and our long-term "vision" for the Prep.

Having said this, I want to extend best wishes to Sister Ellen Boyle, D.W. who will be retiring after serving as the school's registrar since 1978, and also to Sister Eileen Harrigan, S.C.H. who has retired after thirty years as teacher, assistant principal, and public relations representative at the Prep. We will miss you! It is because of the dedication of individuals like Sister Ellen and Sister Eileen that the Prep stands on solid ground today and looks forward to a bright future.

And talk about dedication! In June we honored Coach Vince O'Connor at the Golf Classic. This fall he begins his 50th season at the helm of our Varsity Football Team! Congratulations Vince! Also in June, we were able to honor the memory of Brother Ralph Clifford by having the school section of Francis Lewis Boulevard named after him. Brother Ralph served as treasurer at the Prep for 35 years, and we will also be dedicating our school auditorium in his memory on November 7 as part of the Annual Alumni Mass and Brunch event.

Finally, with our fiscal year having closed on August 31 (with gifts credited through September 10), I would be remiss if I did not thank those of you who contributed to our 2003-04 Annual Fund. More than 1000 donors contributed over \$400,000 in restricted and unrestricted dollars, and I am very grateful for this outpouring of generosity that, hopefully, will grow more and more with each passing year. With this in mind, enclosed with this edition of GradNews is a contribution envelope that can be utilized for the new 2004-05 Annual Fund program. Thank you again for your support!

Please enjoy the few remaining days of summer, have a wonderful fall, and join with us again in praying for a healthy, safe, and productive school year!

Yours in St. Francis,

Bro. Leonard Conway, O.S.F.

Vincent O'Connor

Coach, Teacher, Mentor, Embodiment of the Franciscan Spirit

Sponsors of the Golf Classic and Dinner and will also be serving as Co-Chairmen of The Vincent and Mary O'Connor Scholarship Fund. The June 21 event netted more than \$150,000 for the fund, bringing the overall total to about \$200,000. The goal over the next year (Coach O'Connor's 50th)

is to bring that total to \$500,000 or more so that at least five Prep students will benefit from an O'Connor Scholarship Award each and every year going forward.

The son of Irish born parents, Vincent O'Connor was born in Brooklyn and attended Holy Name elementary school and Manual Training High School (later renamed John Jay High School).

While attending high school, Mr. O'Connor participated in varsity football, track, the school orchestra and served as school president.

During his high school days he was active in the parish of St. Francis Xavier and was greatly influenced by the

spiritual leadership of the Rev. John Kean.

After high school Mr. O'Connor worked as a machinist for three years before entering the U.S. Army and serving eighteen months in Korea. Upon his discharge, he entered the Physical Education program at New York University and

was appointed the J.V. Football Coach at St. Francis Prep by Brother Timothy Walsh, O.S.F.

During his senior year at New York University, Mr. O'Connor was appointed the varsity coach at St. Francis Prep by Brother Cyprian Zorskis, O.S.F. His coaching career was marked by early success as the Terriers won the Catholic High School Championship in 1955, his first year as varsity coach.

After graduation from New York University with a B.S. in Physical Education, Mr. O'Connor attained an M.S. in Health and Physical Education from Brooklyn College plus an M.A. and Professional Diploma in Guidance and

Coach with assistants Frank Nastro and Phil Foglietta in 1961.

Counseling from Teachers College, Columbia University.

In 1957, one year after teaching Biology at St. Francis Prep, Mr. O'Connor returned to Manual High School as a teacher of physical education. After nine years he was appointed as a guidance counselor at G. Westinghouse High School. One year later, Mr. O'Connor was selected as the guidance counselor for the "College Bound" program at S.J. Tilden High School.

During this same period, Mr. O'Connor served as coach of field events at St. Francis Prep for eight years (1953-61). He also was head track coach at John Jay High School for four years (1962-66).

In January 1971, Mr. O'Connor was appointed as Assistant Principal (supervision) for Health and Physical Education in School District 19, in the East New York area of Brooklyn. Over the years, he has served on many committees associated with the field of Health and Physical Education, and has also been a member of a variety of professional and social organizations.

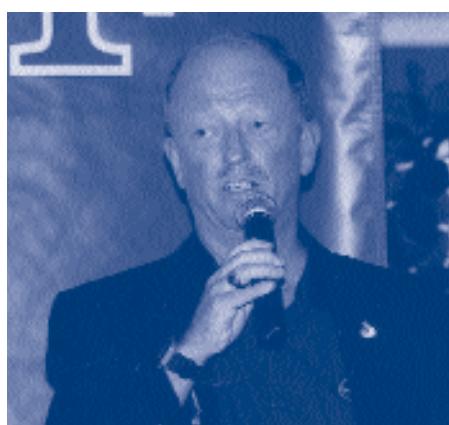

The Varsity Football Program at St. Francis Prep has achieved an outstanding record of success under Mr. O'Connor's leadership, and he attributes much of this to the dedication and skill of the assistant coaches who have served with him these past fifty years.

young lives.

His lovely wife, Mary, his son, Martin, his daughter, Maryrose, son-in-law Patrick, and his three wonderful grandchildren, Connor, Patrick and Dylan, have been his inspiration, and he wears the label "Devoted Husband, Father, and Grandfather" as well as he does his title of "Coach."

For all these reasons, plus many more not recorded in this space, and in celebration of fifty years of extraordinary service, St. Francis Prep is very pleased and proud to establish The Vincent and Mary O'Connor Scholarship Fund which will benefit many deserving Prep students in the years to come.

Mike Henning '57 leads the group in song for old St. Francis.

Under Coach O'Connor, the St. Francis Prep Varsity Football Team has recorded 285 victories and they have won 14 CHSFL Championships (including undefeated seasons in 1957, '64, '66, '72, '73, and '83).

Coach O'Connor was honored as National Coach of the Year in 1992, and has been named New York's Catholic High School Coach of the Year on twenty occasions. He has also served as President of the CHSFL.

In 2000 he was the recipient of The Frank McGuire Foundation Award which recognizes high school coaches whose dedication and skill have a positive impact on

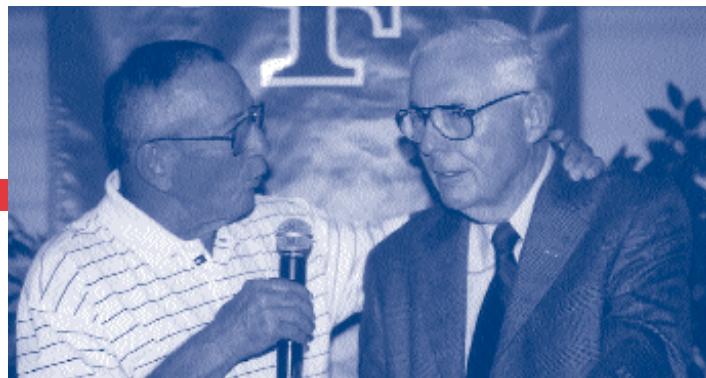

The Vincent and Mary O'Connor Scholarship Fund Leadership Challenge:

"To match the extraordinary generosity of Co-Chairmen, Walter Riebenack '57 and Jack Schneider '57, by securing at least twenty additional gifts of \$5,000, each of which would represent \$100 for every year of Coach O'Connor's service at the helm of Prep Football."

These twenty (or more) gifts would, in turn, provide a "challenge" to members of select Prep football teams, football alumni in general, and all who value the excellence in education and athletics as fostered by Coach Vince O'Connor, thereby building the scholarship fund that bears his name and providing many more deserving students with greater access to an outstanding St. Francis Prep education.

At “6100”

I am delighted to share some of the exciting events of our second spring semester.

The **class of '94** held its reunion on January 17. They connected with their classmates and shared an evening of food, friends and fun. The **11th Annual Florida Reunion** was held on February 27. Except for the cold weather, a good time was had by all thanks to our wonderful hosts in Valrico, Florida, Paige and Marc Hamlin '84.

International Week, from March 8 through March 13, celebrated and showed appreciation for all the cultures of the world.

The **15- and 20-year reunion** for the classes of '89 and '84 took place on March 24. The classes were very well represented.

On May 8, graduates from '44, '49, '54, '59, '64, '69, '74, and '79 gathered at 6100 for the **Spring Reunion**. The highlight of the evening was the 26 members of the class of '54 who came from all over the country to celebrate their 50th anniversary as Prep grads.

After Mass, Coach Tim Leary '63 and Joanne Persico-Smith '84 were inducted into the Prep's **Alumni Hall of Fame**. Honorary membership was bestowed upon Bill Evans, the Meteorologist for ABC-TV Channel 7 Eyewitness News, Art McMahon, a member of the Board of Trustees for more than 10 years and a Prep parent, and also Brother Dominic Quigley, who has served as a teacher and moderator for 33 years at the Prep. Kevin O'Donnell '73 was honored for 15 years of dedicated service to our Alumni Board. Special thanks to Father Bill Sweeney H'03, Don Sileo, Ms. George Anne Kotowicz, Mrs. Nancy DeStefano, Mrs. Pat Cinque-Maher, Ms. Gloria Antinori and Ms. Michelle Tang '01 for making the reunion a tremendous success.

An update for you about the **“Pathway to St. Francis**. About 500 bricks have been engraved which reflect contributions of nearly \$88,000 thus far. On Sunday, November 7 we will bless the new bricks.

We will continue to add more bricks and bless them as part of our Alumni Mass each November.

I would like to congratulate John McGinley H'82 on receiving an Honorary Doctorate from St. Francis College on May 26. John was a teacher, coach, counselor, and friend to many decades of students at the Prep.

On Friday, June 18, the school section of Francis Lewis Boulevard was renamed in memory of Brother Ralph Clifford '48. Brother Ralph served as the Prep Treasurer from 1967 to 2002. In his quiet way, Brother Ralph went about his work ensuring that the school was well served; more importantly he cared for each individual

student. We are grateful to Anthony Amorese '04 for being the driving force behind the project.

At the **Alumni Memorial Mass** on November 7, 2004, the newly refurbished auditorium will also be dedicated to Brother Ralph's memory.

Monday, June 21, saw over 350 people, including Dallas Cowboys Coach Bill Parcells and quarterback Vinny Testaverde, join in support of the **11th Annual Golf Classic**, honoring Coach Vince O'Connor for his remarkable 50 years as varsity head football coach. The monies realized will benefit the Vince and Mary O'Connor Scholarship Fund.

I know that many of our Alumni and friends of the Prep, would join with me in wishing **Brother Dominic Quigley** a fond farewell and extend our best to him in his journey as Secretary General of the International Franciscan Conference in Rome. Brother Dom worked enthusiastically within the Prep community serving others, saying “yes” when asked to help and raising his hand when offered the opportunity to lead. How about a Prep reunion in Rome! Also, our condolences to Brother Dom on the recent passing of his mother.

A reminder about **2004 Homecoming Weekend**. The weekend will kick-off on Thursday evening October 14, with a 3-on-3 Hoops Tournament, followed on Friday, October 15 with the Golf Outing and dinner. Saturday, October 16, we present for the first time **A Day at the Races at Belmont Park**.

The 5K Fun Run will be renamed the **Captain Vincent F. Giammona '79 5K Fun Run**, and is set for Sunday morning, October 17, at 9 a.m. The final event of the weekend takes us over to St. John's University on Sunday afternoon to root for the Varsity Football team against Cardinal Spellman High School of the Bronx.

We need and appreciate your help! Let's have a great turnout for our Homecoming Weekend '04.

Of course, as we look back in recognition and celebration of these people and events which have made Saint Francis Prep what it is today, we cannot loose sight of what it will take to ensure the advancement of the Prep and its mission in the future.

Together we can respond to the changing world and provide our young men and women a quality Franciscan Education, a mission we have fulfilled with faith and zeal since 1858, heading towards our Sesquicentennial Celebration in 2008.

It should be no secret that the imagination, dedication and hard work of our **Alumni Board Members**, led by our retiring President, Gerry Scales '76, is one of the

At “6100”

reasons for our continued success in faithfully trying to preserve our Mission. Thanks again for partnering with us.

I would like to wish a fond farewell to **Barbara Kosakowski** member of the Religious Education faculty who retired after 13 years at the Prep.

May I use this column to thank you for your messages of condolence, Mass enrollments and presence at the Mass of Christian burial, to both me and my family at the time of the passing of my mother, Sarah Jean Kent.

Finally, please remember all those who have asked for our prayers, especially Mike Fouchet, Class of '80, who is battling with cancer. May the blessing of Saint Francis be with you and your families.

In gratitude,

Brother Robert Kent

RACHEL BINASO (Math Dept.) gave birth to a baby girl Faith, on 6/2/04, weighing 6 lbs and 18 inches long.

BRO. LEONARD CONWAY, O.S.F. (Principal) accepted the re-appointment to another term as principal. In September he begins his 22nd year as principal and the new term will take him to August 2009. Excited about and planning 150th anniversary of SFP, Saturday October 4, 2008. In October he will chair middle states evaluation of Christian Brothers academy in Albany, NY.

SISTER EILEEN HARRIGAN, S.C.H. (Teacher, Administrator, Honorary Alumna '86) is retiring to Mt. St. Vincent 125 Oakland St., Wellesley Hills, MA 02481 during the summer of 2004. She will join S. Joseph Agnes, S. Mary Walsh, S. Margaret McCarthy, S. Eileen Hennelly, and S. Gilberta Marie, all formerly associated with St. Francis Prep. Sister Eileen served as teacher, assistant principal and in public relations during her tenure at the Prep from 1974-2004, and she wants to wish everyone well.

BRO. BENJAMIN O'REILLY, O.S.F. (Foreign Language Dept.) will be teaching yoga again at Atlantic Beach, Long Island. I'll also be cycling quite a lot this summer and I'll be making several short trips in the Metropolitan area. I'll also be teaching yoga for one week upstate to a group of HIV children from Harlem Hospital.

BRO. DOMINIC QUIGLEY, O.S.F. (Foreign Language Dept.) will leave the Prep after thirty-three yrs to take up his new ministry working for the Franciscans at the Conference's headquarters in Rome. He begins in September, '04. His US residence will still be at the Prep friary, and he'll probably be able to return twice a year once in the summer and once in the winter. Keep in touch or better still head over for a cappuccino!

BRO. ALAN ZODDA, O.S.F. (Phys. Ed. Dept.) writes "Since the last Grad News much has changed in my life. I was honored by the Al Jolson Society with the Loyalty Award for more than 25 yrs of supporting the love of Al Jolson. The society has reached a milestone of 54 yrs of existence. In January of this year Mrs. Erle Krasna last wife of Jolson passed away from cancer. It was back in '87 that I was blessed to make Mrs. Krasna's acquaintance when she invited me to visit with her in Century City, Calif. The society put out its Jolson Journal #100, and I was happy to have an article I wrote along with a picture of Erle and myself included. Another special Jolson lady, Sybil Jason, informed me that her husband Tony has cancer and is going through many treatments. Please keep

these two ladies in your prayers. Thank you! I am off to California in August to visit my mother." Editor's Note: Brother Alan's mother passed away since this was written. Our sincerest condolences.

SISTER ELLEN BOYLE, D.W. has just announced that she will retire this fall after 25 years at the Prep. She has served as the school's registrar since 1978, and will stay on in an advisory capacity to the new registrar for immediate future. We wish her all the best.

SISTER EILEEN HARRIGAN, S.C.H. is now living in retirement at the Order's residence in Wesleyan, MA, and wants to wish everyone well at the Prep. She served as teacher, assistant principal, and in public relations during her tenure from 1974-2004.

BROTHER ED KENT O.S.F., former faculty member, recently participated in the Eastern States Senior Championships (Springfield, MA), the Empire State Games, and the National Senior Championships (Decatur, IL), competing in the long jump, triple jump, and hurdles. He has competed in Masters Track and Field events since 1988.

TIM LEARY '63, (SFP Varsity Basketball Coach) was inducted into the CHSAA Hall of Fame on May 20th as part of the Annual CHSAA Golf Outing and Dinner held at the Canyon Club in Armonk, NY. (He also had his 500th coaching victory last season against Holy Cross and was inducted into the St. Francis Prep Hall of Fame on May 8th.) Congratulations Tim!

CHRISTIAN SULLIVAN (Campus Ministry) and wife Karen welcomed new daughter Caeli Grace on 7/9/04.

Albert Sofia writes "After more than 38 yrs, a chance meeting between the youngest son of a former Prepster and his parish priest, brought me, class of '65 together again with an old friend and fellow graduate, Reverend Robert O'Donnell." Al's son, Manhattan

Assistant district Attorney, Michael Sofia, was attending a pre-Jordan class at St. Paul the Apostle Church in New York City, when Pastor, Reverend Bob O'Donnell, recognized the last name. I've been looking for an Al Sofia who graduated St. Francis Prep in '65, mentioned Father O'Donnell. That's my Dad, replied Michael. Al and Father O'Donnell met shortly thereafter over dinner to catch-up on old times. Debate partners in the Dun Scotus Society during their tenure at the Prep, the two fondly recalled former classmates and teachers, their former Debate Moderator and Prep Alumni, Jack Monaghan, class of '55, and the frequent sports rallies in the Alley at the old North 6th St location. Al currently lives in New Jersey with his wife of 33 yrs, a former St. Albert's High School Alumni, and is a Vice President with Citibank, NA, New York. Father O'Donnell is Pastor of St. Paul the Apostle Church in Manhattan."

We are living in South Merrick, and I am thoroughly enjoying being a stay-at-home mom. Looking forward to our 20 year reunion!!!"

Michael Behringer tells us, "The past year has brought many significant changes: I recently married a marvelous woman Nisha Kumar. She is Indian and the celebration was a joint Catholic-Hindu ceremony. The Catholic portion was officiated by my cousin, the Rev. Gerard Ettlinger. The Hindu ceremony was our own version of Monsoon Wedding; it was held outside in a torrential downpour. The procession started with me entering on horseback, which is traditional in Indian culture. But despite the bad weather, everyone had a marvelous time. Nisha and I recently moved from New York City To Cos Cob, CT where we are enjoying life in the sub-

urbs. To complete the year of change, I've recently left Primedia to establish a private equity investment firm along with Charlie McCurdy, Primedia's founder and former CEO. We have raised \$200 million in equity financing to acquire businesses in the specialty publishing and niche media sector."

Fay Serafica tells us, "It has been 2 1/2 years since I've recovered from a horrible car accident in which I broke my neck. Luckily I've gained back most of my motor capabilities, especially my ability to walk, but I now have limited movement in my neck. After taking a short leave from Parsons for a few months where I first majored in Fashion Design, I eventually transferred and decided to instead pursue Art History at Hunter College. I'm glad to announce that I've now graduated Cum Laude with my BA in Art History. I am taking the much needed year off that I never got to take after my accident, but I'm also working part time at Skidmore, Owings, and Merrill (SOM), one of the largest architectural firms in the world (located on Wall St., probably the last place most fellow students would have imagined me to be). I am also starting an internship as a student guide at the Brooklyn Museum of Art. At night, I still work as Ms. Data, DJ'ing and promoting as well as organizing electronic music events in New York City."

2000

Mark Blenner writes, "Hey, it's Mark. Well, it's been a successful 4 yrs. I graduated from Manhattan College Suma Cum Laude with a BS in Chemical Engineering and won the Engineering School Medal. After 4 yrs of scientific research I have two articles being submitted for publication. Additionally, '06

marks the long awaited release of my test book entitled Unit Operations for the Practicing Engineer. Academics aside, I think my biggest marks have been made in the student life division as first student to run the College Wide Senate in its history. I am attending Columbia University on a full ride and stipend to pursue my PhD in Chemical Engineering. Additionally, I am currently a Graduate Hall Director at Barnard College, encouraging the future leaders of tomorrow. And lastly, I have been a key member of my Darts team in the Bronx-Westchester league. Currently we are in second place. And I still haven't found what I am looking for."

Christopher DeNicola writes, "Hey everybody! I've been back in New York a while now, and I miss LA. (Not really.) I love New York, and with a mini-studio in my basement here, it'll make recording a lot easier. That is, if I can get rid of the awful writer's blockhead that keeps me

from coming up with new songs! I've been thinking about SFP a lot lately, particularly all the awesome people I met there, I miss you guys! I think it's pretty funny how a few years ago, I couldn't wait to get out, and now I think it'd be cool to go back...at least for a day anyway. But reminiscing has helped fuel my inspiration for a song that I'm dedicating to the Class of '00, particularly SFP! Maybe you'll hear it on the radio one day...? Anyway, hope life is treating everyone well! Keep rockin' guys!"

Monica Lukaszewicz says "It has certainly been a while, and though much has changed, the memories will always flourish. I finally graduated with a BA in Political Science last May, taking a year off for travel and professional experience. However, in September I am once again returning to school to pursue a Master's Degree in Peace and Conflict Resolution and Middle Eastern Studies in England. I look forward to seeing old

faces at the reunion. And to all the teachers that contributed to my success: thanks so much!"

Jainnie San Pedro writes, "St. Francis Prep brings back so many wonderful memories. I have just completed my four years of college and now start my graduate degree work. Thanks to all the support I received from you all while I was there."

Christopher Semetis successfully graduated with a B.S. from St. John's University on 5/16/04 and was accepted for the MBA program in the St. John's University Business School for the fall of '04.

2001

David Lee writes, "Hi, Class of 2001. I am in Baghdad, Iraq right now for the second time, and I am doing fine. Miss y'all a lot."

The Alumni Spring Reunion (earlier than in past years)

celebrating the classes of 1980, 1975, 1970, 1965, 1960, 1955, 1959, 1945 and 1940.

Interscholastic Sports Summary – Spring 2004

The highlights of the Spring Season included a 1st place finish in the Brooklyn/Queens Championships by the **Girls' Outdoor Track Team** and a 2nd place finish in the Brooklyn/Queens Championships by the **Boys' Outdoor Track Team**. **Katherine Sorokko** was the Meet MVP. . . she won the 1500 m run and the 3000m run. **Nicolette Vigletta** was the Freshmen Champion in the Javelin.

The **Handball Team** won its second consecutive City Championship with another undefeated season. A great job was done by the Team and Coach Grimm. Congratulations! Special thanks to Mr. & Mrs. O'Donnell for all their help and support. The future looks good. The **JV Handball team** won the City Championship also.

The **Varsity Baseball Team** finished 5th in the very competitive Brooklyn/Queens Division and were eliminated from the playoffs in the second round by Mt. St. Michael. The team only graduates 4 players and hopes for continued success from all the returning team members.

The **Boys' Volleyball Team** finished 2n in their division and lost a tough match to Chaminade in the Championships. Congratulations to the players and **Coach Colucci, Coach of the Year**, for a great season.

The **Golf Team** made the "B" Championship and played Stepinac at Winged Foot Country Club in Westchester. It was a thrill for the players to get an opportunity to play at such a great course.

The **Boys' Tennis Team** improved on their record from last year and hope to make the playoffs in the ffiture.

The **Softball Program** continued to stay at the top of their League. The Varsity was eliminated in the semi-finals by Mary Louis in an exciting game. All season long nearly every game was competitive and in many instances the game was decided in the last inning.

CONGRATULATIONS TO ALL! ! !

St. Francis Prep Hall of Fame

The St. Francis Prep Hall of Fame Committee of the Alumni Board comes to the Alumni to seek nominations for the Alumni Association's most prestigious honors – membership in the school's Hall of Fame and recognition as Honorary Alumni. There are many Prep Alumni and special friends who have lived and continue to live their lives in the true Franciscan spirit, and many who are deserving of such an honor.

The **Hall of Fame Award** looks to honor those individuals (alumni) that have significant lifetime achievement and a history of service to others. The following personal qualities and achievements are evaluated as part of the annual award process for the Hall of Fame:

- Career Success
- Service to the SFP Community
- Service to their Community
- Philanthropy
- Overcoming Challenges
- Leadership
- Spirituality
- Public Image

The **Honorary Alumni Award** recognizes those non-alumni who have contributed significant time and effort and exhibited a love for St. Francis. Many of our former honorees are teachers, school administrators, coaches, parents and vendors whose dedication and commitment are truly outstanding.

We strongly encourage our Alumni and friends of St. Francis Prep to submit nominations for these two prestigious awards. Please provide us with a letter outlining the personal qualities noted above.

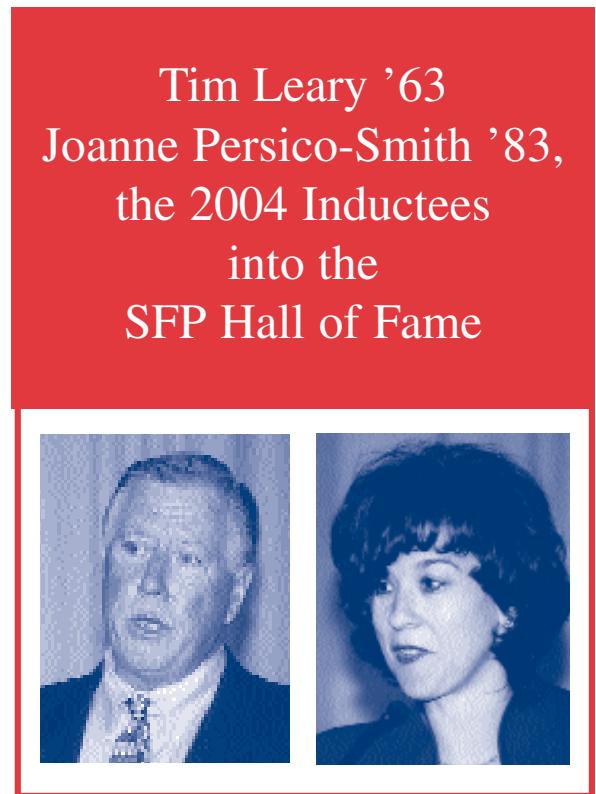

The following information should be included:

- Name of Nominee
- Graduation Year (Hall of Fame)
- Present and Past Positions
- Awards
- Other evidence of their significant contributions
- Sponsor name, address, phone and e-mail

Please send the nomination by December 1 to the following:

St. Francis Prep Alumni Association
6100 Francis Lewis Blvd.
Fresh Meadow, NY 11365

Any questions can be addressed to Wally Bishop '80 via e-mail at walter.bishop@db.com.

Totals:	\$417,796	1053

Note: The fiscal year ended on August 31, 2004. Annual Fund gifts received through September 10, 2004 and the names of all donors (unless otherwise specified) will be included in this fall's Annual Report for the 2003-04 fiscal year.

To make your gift for the 2004-05 Annual Fund, please use the envelope inserted within this issue of GradNews. Thank you very much for your support!

Other Gifts Since September 1, 2003:

Pledge Payments for the <i>Our Vision for the Future Campaign:</i>	\$30,000	7 payments
<i>Pathway to St. Francis:</i> (Overall for Pathway)	\$24,300 (\$87,475)	107 gifts (499 gifts)

Named Scholarship Funds

Keep in mind that Saint Francis Prep welcomes the possibility of establishing named, permanently endowed scholarships (in memory or in honor of those named) with a minimum of \$10,000 initially, and an ultimate goal of having a fully endowed scholarship fund of \$100,000 or more.

There are currently 17 special scholarship funds at the Prep (permanently endowed or otherwise), and we hope to add many more in the years ahead. Please call the Development Office at (718) 423-8810 ext 269 for more information.

Pathway to St. Francis

The “Pathway to St. Francis” will be a 2,500 brick walkway at the statue of St. Francis in front of the school at the intersection of Francis Lewis Boulevard and Horace Harding Expressway. The “Pathway” was formally dedicated with the initial 400 bricks on Sunday, November 2, 2003 as part of our Annual Alumni Mass and Brunch, and we plan to add more bricks each year.

Our goal is to establish two permanently endowed scholarships in the names of James Prendergast '79 and Michael Lynch '86, who were taken from us at a very young age. Jimmy battled cancer and Mike, a New York City Fire Fighter, made the ultimate sacrifice on 9/11.

This is your opportunity to be a permanent part of the future of St. Francis Prep and it is also a special way to keep Mike and Jimmy's memories alive.

Any questions should be addressed to Brother Robert Kent, O.S.F. at (718) 423-8810 ext. 230.

Thank you and God Bless.

Advertise In Next Winter's GradNews

Beginning with next winter's edition of *GradNews* (February - March 2005) the Alumni Board will be soliciting and publishing advertising to appear in each issue. With a circulation of well over 20,000 "subscribers" for each issue of *GradNews*, this new section will provide many alumni and friends of the Prep a chance to promote their businesses and services to all the members of the Prep "family" locally and across the country. It will also help defray the cost of producing and mailing the *GradNews*—a publication that continues to expand and improve each year.

Stackpole Family Takes “Center Stage” on August 30 Under Remarkable Circumstances

(excerpts taken from the New York Daily News, August 31, 2004)

Monday, August 30, 2004 was a very inspirational day for members of the St. Francis Prep community as the family of the late Fire Captain Timothy Stackpole, SFP Class of 1977, made headlines for very different yet related reasons, and certainly “all in the line of duty.”

On that Monday evening, Tim Stackpole’s widow, Tara Stackpole of Brooklyn, along with the wife of a passenger on a hijacked 9/11 plane and the sister of a slain pilot, addressed the Republican National Convention at Madison Square Garden in New York and reminded America of the September 11, 2001 attacks, urging us all to “never forget.”

In her emotional tribute, Tara Stackpole first brought the delegates to tears and then to their feet. “America must never forget the sacrifices of September 11 or those that are made every day by our sons and daughters in the military service,” said Tara, whose husband Tim died fighting to save others from the burning twin towers.

“Timmy is my hero, I am honored to share him with you,” she said, drawing tears at the convention. “Just as I am proud to lend America my oldest son, Kevin, who is headed to Iraq in December with his Navy unit.”

The crowd thundered its approval and gave her a standing ovation. She then called for a silent prayer of thanks and remembrance.

Little did she know, however, earlier in the day, Tim’s brother Mike Stackpole, SFP Class of 1983, had performed heroically himself when, in the midst of a raging arson fire in a Brooklyn apartment building, he and a fellow firefighter climbed a fire escape and broke through a window to be the first inside a smoke-filled fourth floor apartment. There they discovered five family members, including four children, and they helped to rescue them.

“They were trying to get out and they couldn’t,” said Mike. “You’re just thinking about getting them out as fast as you can.”

The rescue came just hours before his sister-in-law, Tara, addressed the Republican Convention.

All in the line of duty.

If you wish to contribute to The Timothy M. Stackpole ’77 Memorial Scholarship Fund that is being established at St. Francis Prep, please call the Development Office at (718) 423-8810 ext. 269.

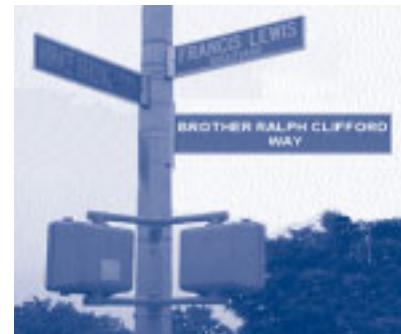

Brother Ralph Clifford Way and The Brother Ralph Clifford Auditorium

An effort started by a recent Prep graduate resulted in the school's section of Francis Lewis Boulevard being renamed in memory of Brother Ralph Clifford.

Brother Ralph, a graduate of the Class of 1948, was the treasurer at the Prep from 1967 until his passing in the fall of 2002 at the age of 72. He also had served as teacher and assistant principal.

Anthony Amorese, Class of 2004, who initiated the idea of having the street renamed, along with Brother Ralph's sister, Fran Recker, who has worked at St. Francis Prep for 15 years, unveiled the new street sign on Friday, June 18, 2004.

Also, on November 7, 2004, as part of the Annual Alumni Memorial Mass and Brunch event, the Prep will dedicate its auditorium to Brother Ralph as well. After the 11:00 AM Mass that day *"The Brother Ralph Clifford Auditorium"* will be blessed, along with many newly donated bricks for the special "Pathway to St. Francis" project. All are welcome!

Science Research Program

The Science Research Program held its sixth symposium on June 10, 2004. This annual event featured posters from the research program's 78 participating students and also included 19 oral presentations from seniors. The event was attended by approximately 300 guests and included parents, mentoring scientists, administrators, teachers, students, and Science Research alumni.

The evening began in the cafeteria with a poster session. Each research student was responsible for creating a poster that detailed their project. Sophomore posters presented ideas and background information on potential research questions the students intended on investigating, while juniors had posters that included their two years of work. These posters highlighted a specific research question with a set methodology and preliminary data. Lastly, the seniors were able to show their completed projects and highlight the significance of their discoveries.

The poster session was followed by 17 senior oral presentations that ran in three concurrent sessions in the auditorium, library, and the large group instruction room. The presentations used Power Point and ran approximately 10 minutes each, with 3 minutes allotted for questions at the completion of each talk. Guests were permitted to change locations throughout the sessions. The flexibility of the concurrent sessions allowed guests to choose the areas that they were most interested in learning about.

A second session highlighted the keynote speaker, Mr. Mark Blenner, Class of 2000. Mark just recently graduated from Manhattan College with a Bachelor of Science Degree in Chemical Engineering, and will begin working on his Master's in Chemical

Engineering at Columbia University in September 2004. Mark was a student in the first graduating class from the Science Research Program, and is also the first graduate from the Science Research Program to return to speak at the symposium. He delivered an inspirational address to the students in the program. The session also included mock presentations by Michelle Bubnik and Marlena Laszkowska, the two Intel Science Search semi-finalists. Michelle will be attending Queens College Honors Program on a full scholarship, and Marlena will be joining her sister Monika, who was also an Intel semifinalist in 2003, at Harvard University in the fall.

The evening provided the students with a tremendous amount of well-deserved recognition. Besides the two Intel winners, the Science Research class of 2004 can boast 4 NYC Metro Junior Science and Humanities Symposium semifinalists and Intel International Science and Engineering Fair semifinalists. Our current students also had the opportunity to speak to many Science Research alumni about continuing their research experiences into college. Two of our graduates, Renzo Lombardozzi and Evelyn Gordon, both from the Science Research class of 2003, recently had their research papers published as part of articles in professional science journals. This is an outstanding accomplishment for them, and a tremendous accolade for St. Francis Prep and the Science Research Program. We were also happy to welcome 44 new students into the program, and the symposium gave them a glimpse of the accolades and accomplishments they could achieve in three years. It was a wonderful evening for the science department, our students, and our school.

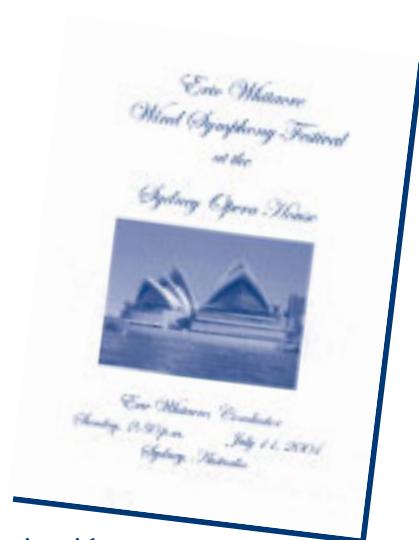

Prep Musical Ensemble Plays at the Sydney Opera House

Under the Direction of a Very Talented And Versatile Alumnus

On July 11, 2004, The St. Francis Prep Wind Ensemble, under the direction of David Kobayashi, Class of 1993, who also serves as Associate Director of the Prep's Concert Band and Jazz Ensemble, performed at the Eric Whitacre Wind Symphony Festival at the Sydney Opera House in Australia.

The St. Francis Prep Wind Ensemble is the newest among many performing organizations at the school. The group, which was initially formed for this special trip to Sydney, is comprised of some of the Prep's most talented students. It is a real microcosm of the Prep community, and in its short history the ensemble has already performed for numerous dignitaries, local and church officials at the ceremony for the renaming of the school's section of Francis Lewis Boulevard (in memory of Brother Ralph Clifford).

David Kobayashi is a bold proponent of new literature for Concert Band, having performed new music at almost every concert he has conducted at the Prep. After graduating from the Prep in 1993, he went on to earn a Bachelor's Degree in Music with a concentration in Composition from Binghamton University, and then studied for his law degree at New York Law School. A member of several State and Regional Bars, Dr. Kobayashi is a founding partner of the law firm Kobayashi & Kobayashi. Despite his busy schedule, Dr. Kobayashi maintains an active and versatile role as a pianist, guitarist and arranger in and around New York City.

Tribute to Joe Saner, SFP Class of 1953

On Monday, August 2, 2004, friends and relatives of the late Joseph P. (Joe) Saner '53 joined together for a wonderful day of golf and good friendship around cocktails and dinner at The Woods at Cherry Creek in Riverhead on Long Island.

Following the day's activities, Joe's wife, Marilyn Saner, presented a check for \$3,000 to St. Francis Prep. This gift, presented in Joe's name, will provide for three \$1000 grants to be awarded to deserving Prep students later this year—one boy, one girl, and one football student athlete (to recognize Joe's involvement in the sport).

Joe Saner, who resided with his family in Northport, NY for many years, spent most of his career with Dunn & Bradstreet (financial services and publishing), retiring as Senior Vice President at a relatively early age. He made many friends in the financial services and brokerage industries, many of whom were on hand on August 2nd (Joe's birthday) in tribute to him and his wonderful spirit that will live on through these Joseph P. Saner Grants at St. Francis Prep. He passed away in the spring of 2003 after a battle with cancer. Let his memory carry on!

The tournament winners wearing their St. Francis regalia.

Pat today I flew the flag for our Alums. I carried it with me on a mission. I will forward it to SFP with a certificate. Thank you for keeping us all in your prayers.

 SFP '87

Hello There!

Today I traveled on a flight mission to Jalalabad. The city was once a strong hold of the Taliban, now its an evolving city full of promise for the people.

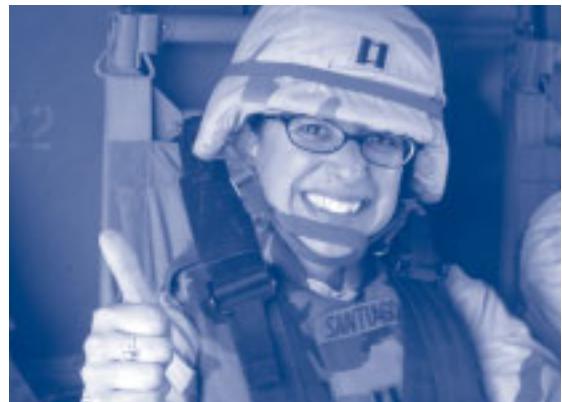

Often during my trip today, I remembered the events of this date 9/11-this unforgettable day in 2001. The thoughts ran through my mind of that day, and then I snapped myself back to the present and realized how much we must continue to persevere forward to make a difference in this world and not allow history to ever repeat itself. I was engaged most of the day working with service members, Army and Marines on legal issues and after a long day made it back to Bagram safely. It was a bright, sunny warm day, we flew in a UH60 Black Hawk - combat ready, doors open.

We had an attack apache escort (which look like mean looking metal bees) and other aircrafts. It was exhilarating and breath-taking to see the country-side and I had to smile as the children ran out and waved as they heard the helicopters approaching.

Many of us reflected on how lucky we are to be Americans, and the sacrifices that often come with that privilege. Today was a day, to remember the lessons learned from our past and look forward at how we can make a brighter and better future.

I was thinking of you all. And look forward to seeing you soon.

Principal's Dinner

On Saturday, March 27, 2004, about 90 people enjoyed an evening of fine food and friendship as the Prep turned its library into the fabulous "6100 Restaurant" for the Annual Principal's Dinner.

Organized to recognize the generosity of those who have contributed at The St. Francis Society level and above (\$1000 or more) during the previous year, as well as the members of The Board of Trustees, the dinner also provides the Principal, Brother Leonard Conway, O.S.F., with an opportunity to report on the "State of the Prep" which, thankfully, is very healthy, due in large measure to the ongoing support of its loyal alumni, parents and friends.

This year's dinner was highlighted by the presence of Mr. and Mrs. Vincent A. Toscano '53 and the wonderful talk given by Mr. Toscano that centered on his gratitude to the Franciscans for the important role they played in helping to shape his life. He also took the opportunity to make another major contribution toward the recently established Vincent A. Toscano Scholarship Fund at the Prep.

In addition, a wonderful presentation was made to the guests by Science Department Chairperson, Mary Ann Spicijaric '84 and her students Michelle Bubnik '04 (now in the Honors Program at Queens College) and Marlena Laszkowska '04 (now at Harvard University), both of whom were Intel Science Talent Search Semi-Finalists as seniors last year.

The next Principal's Dinner will be held at the Prep on Saturday, April 9, 2005.

The Vincent A. Toscano Scholarship Fund at St. Francis Prep

Funded through the extraordinary generosity of Vincent A. Toscano, Princeton Junction, New Jersey, President of Paulaur Corporation, and St. Francis Prep Class of 1953, this permanently endowed scholarship fund will aim to ease the burden of tuition for four (4) Prep students during any given academic year--one freshman, one sophomore, one junior, and one senior.

Each student selected for the scholarship will receive a tuition-free education for that academic year; with the award being renewable in each subsequent year provided the student remains in good academic standing.

The criteria used to determine the scholarship recipients in any given year will include:

- Financial need (with preference given to a student with a sibling or siblings attending St. Francis Prep);
- Superior academic performance and the maintenance of a high grade point average.

Award recipients will be determined at the discretion of the Principal of St. Francis Prep.

Mr. Toscano and his family will have the opportunity to review the performance of scholarship recipients each year, meet with these students when convenient, and review the investment performance of the fund as appropriate.

St. Francis Prep, its faculty, staff, alumni, and especially its current and future students will be forever grateful to Mr. Toscano for his generosity and thoughtfulness in making this wonderful gift of education to deserving young men and women.

Alumni Association Looking to Expand Reach with “Out of Town” Events and “Class Reps”

Over the past few years, through the efforts of the Prep’s Alumni Director and the Alumni Board, progress has been made in reaching out to all alumni to come back to the Prep and re-engage with old friends. Though we have been successful in expanding the reunions and increasing the number of events, we need to reach out to our fellow alums that live outside the New York area.

Through the generosity of certain Florida alumni, we have been successful in holding Florida reunions on an annual basis that have helped fellow Prepsters to come together to share a common bond. We now want to explore the possibility of either starting regional chapters or having annual reunions in other locations across the country. If anyone has an interest in pursuing this effort and helping to get fellow alums in your area together, please contact the Development Office at the Prep (718) 423-8810 ext. 269 or contact Gerry Scales ’76, Past President of the Alumni Board, at gpscales@aol.com

Also, during 2004-05 we will be looking to solidify the “Class Rep” concept so that we can more easily and effectively communicate on a class-by-class basis. This “Class-Rep” recruitment process was actually started by the Development Office last year, and will now continue so that by the spring of 2005 we will have at least one or two “official” alumni representatives for each graduating class. Class Reps can assist in a variety of ways, including securing information from classmates for publication in the Grad News, serving as e-mail “point persons” to pass along important information from the Prep to your classmates (via e-mail), and helping with the soon to be re-instituted Annual Fund Phone-a-thon program.

Please call the Development Office at (718) 423-8810 ext. 269 if you are interested in becoming a “Class Rep” for your alumni class. Thank you!
