SUMMER/FALL 2006

SFP Hall of Fame Welcomes John Brown '76, Bill Dobranski '77 and Gerry Scales '76

Hall of Famer John Brown '76 with Pat McLaughlin '73 (left) and Bro. Leonard Conway, O.S.F., Principal.

Bill Dobranski '77 receives his Hall of Fame Award from Wally Bishop '80 and Bro. Leonard Conway.

Gerry Scales '76 receives his award from Bro. Bill Boslet, O.S.F. and Bro. Leonard.

Congratulations to recently elected Hall of Fame members **John Brown '76**, Managing Director at Merrill Lynch (heading the Global Stock Loan Division) and one of the Prep's most loyal benefactors; **William Dobranski '77**, retired NYPD and Founder/Director of *Faith in the Future*, a grassroots charity whose purpose is to help "at-risk" and needy youth with the expenses associated with a Catholic education; and **Gerald Scales '76**, Managing Director at Citigroup and Past President (and longtime member) of the SFP Alumni Board where his

leadership has had a positive impact on many alumni activities.

The formal induction of these new members took place on **Saturday, April 8th** at the Prep (in The Brother Ralph Clifford Memorial Auditorium) as a prelude to that evening's Annual **Alumni Spring Reunion** which celebrates the return of the members of the 25th, 30th, 35th, 40th, 45th, 50th, 55th, and 60th Anniversary Classes. (Occasionally, we also see members of the 65th, 70th and 75th Anniversary Classes return to the Prep as well!) *(Continued on page 52)*

THE 50TH ANNIVERSARY CLASS OF 1956

Principal's Message

Dear Graduates and Friends of St. Francis Prep,

We begin another school year, my 24th year as Principal, and it is very gratifying to report to you that the Prep remains embedded in the solid foundation established by the Franciscans in 1858, built upon by a dedicated administration, faculty, and staff over many years, and supported by generous alumni and friends like you. As a result, we continue to look forward to a very bright future for the school.

With this in mind, I am pleased to tell you that, once again, more than 99% of our June 2006 graduates are now enrolled in college, and, among other student achievements, Prep seniors were semi-finalists in the Intel Science Search for the eighth consecutive year (and the Prep was the only Catholic High School in the nation to have multiple semi-finalists in this very prestigious competition). On the extracurricular front, our Varsity Football Team won the CHSAA Championship last fall and provided Coach O'Connor with his 300th win in the process.

These are facts that speak volumes about the Prep's ongoing commitment to high-quality, well-rounded education in a caring, disciplined environment. Consequently, our entire Prep Community remains actively involved in implementing the action plan to achieve all our Middle States objectives by the year 2010. (For those who don't know, The Middle States Association of Colleges and Secondary Schools is our accrediting agency, and we have always received high marks from them and take their recommendations seriously as we look to tomorrow and what we need to remain "ahead of the curve" on all fronts.)

As you probably know by now, this Middle States process coincides with our plan to celebrate the school's 150th Anniversary during the 2008-09 school year, at which time we should be in the midst of a major capital improvement program, the extent of which will soon be determined--with our Middle States objectives and our long-term "vision" for the school always in mind.

And with the 150th Anniversary now clearly on the radar screen, please mark Saturday, October 4, 2008 on your long-range calendar (the feast of St. Francis of Assisi that year), as we are planning for a gala celebration at the Brooklyn Marriott to mark the occasion--and to officially kick-off a series of "Sesquicentennial" events and activities. You will be hearing a great deal more about this in the weeks and months ahead, and I know you will want to participate.

Speaking of participation, with our fiscal year having closed on August 31st, I would be remiss if I did not thank those of you who contributed to this past year's Annual Giving Program. While we await the final tally (the Annual Report with the listing of all donors as of August 31, 2006 will be published later this fall), we already know that our goal of at least \$500,000 will probably be surpassed, and this is in addition to the support generated through fundraising events like the Golf Classic and Homecoming. For this I remain very grateful because your generosity helps insure that we meet the school's budget each year (now more than \$20 million), thereby allowing us to maintain moderate tuition levels and provide scholarship and sponsorship assistance to deserving students. So thank you again for your support!

In closing, let me ask God's blessings upon you and your family members. Please enjoy the remaining warm weather days, have a wonderful fall season, and pray with us for a healthy, safe, and productive 2006-07 year!

Yours in St. Francis,

At “6100”

Let's look back on some of the highlights of the 2005-2006 year.

On August 30, the Prep hosted its annual **August Madness Orientation** for the incoming class of 2009 to enable the freshmen to begin their high school career with some knowledge of the Prep's tradition, values and spirit.

During the **Senior Mass** on September 15th, 21 class members were commissioned as Extraordinary Ministers of Holy Communion.

At our **St. Francis Mass** on October 4th, eleven faculty members were honored for their service to the Prep. Honored for 15 years were Mary Ellen Bechtle and Peggy Bergin-Sementilli, Religious Education; Joseph Claro, English; Ann Marie Rich and William Terrone, Science; and Denise Heckelman, Physical Education. Celebrating 25 years: Mark Krolikowski, Religious Education; Dr. Patrick Mannion, Science; Sister Phyllis Murphy, R.S.M., Social Studies; Brother Benjamin O'Reilly, O.S.F., Foreign Languages; and Donald Sileo, Guidance. The Prep values and acknowledges these faculty members for their dedication and many loyal years of service. We are grateful that they will continue to be partners in our Franciscan Mission.

The **Seventh Annual Homecoming Weekend** was held from October 13th through the 16th. We began the Three on Three Tournament with 14 teams in honor of Jimmy Prendergast '74 and Chris McMahon '76. On Friday, Mother Nature had the upper hand! However, with the help of those who braved the storm, we were able to dine at the beautiful Caffé on The Green in Whitestone, in support of the Tim Stackpole '77, Brian Murphy '83 and Mike Brennan '91 Scholarship Funds. Thanks to Drew Morgan '89, Pat McArdle '89, Tom Cook '89, Sean Prendergast '80, Jim May '76, Peter Callahan '59, Dave Daly, Leo Nicholas, and the many volunteers who made the weekend a success.

On Sunday, November 6th, the Alumni Association held its **Annual Memorial Mass** for alumni, faculty, families, friends and benefactors who died during the past year. New bricks for the “Pathway to St. Francis” were blessed. The day of remembrance ended with brunch in the cafeteria.

On November 15th, 92 new members were inducted into the Franciscan Chapter of the **National Honor Society**.

The Class of 2000 held its **5 year reunion** on November 19th. All in attendance had a good time with old friends.

On Sunday November 20th, at the Football Championship Game against St. Peter's of Staten Island, **Coach Vinnie O'Connor recorded his 300th victory as Varsity Football Coach**. As a follow up and through the work of City Councilman Eric Gioia '91, Coach O'Connor was honored at City Hall with a special Proclamation. In attendance was this year's Championship Team. Marco Battaglio '91, a member of the Super Bowl Champs Pittsburgh Steelers, added to the joyous occasion by his presence.

On Saturday, December 10th, the tradition continued of bringing **Holiday Cheer to the disabled**. The party was initiated and continued for more than 25 years by Sister Joseph Agnes Hohmann, S.C.H. The students, alumni, Father's Guild and friends of “the Prep” were on hand to help along with the Prep faculty and staff. Special thanks goes to Noreen Kunzi for organizing the event.

Kudos to Rev. Nick Zientarski '90 for putting Christ in Christmas during the traditional blessing of the official **Christmas Tree Lighting** in Manhasset.

The Class of '96 held its **10th year reunion** on January 14th. They connected with their classmates and shared an evening of food, friends and fun.

The **13th Annual Florida Reunion** was held on March 4th in Valrico, Florida. The day started with a Yankees vs Cincinnati game at Legends Field in Tampa. A good time was had by all thanks to our wonderful hosts Paige and Marc Hamlin '84.

International week was held on March 13th through March 18th. This event celebrated and showed appreciation for all the cultures of the world.

The **15 and 20 year reunions** for the Classes of '91 and '86 took place on March 11th. The classes were very well represented.

City Councilman Eric Gioia, SFP '91, presents Coach O'Connor and the 2005 Champs with a special proclamation on the steps of City Hall in February.

At “6100”

On April 8th, graduates from '41, '46, '51, '56, '61, '66, '71, '76, and '81 gathered at 6100 for the **Spring Reunion**. The highlights of the evening were the 30 members of the Class of '56 who came from all over the country to celebrate their 50th anniversary as Prep Grads. After Mass, William Dobranski '79, John Brown '76, and Gerald Scales '76 were inducted into the Prep's Alumni Hall of Fame. Honary membership was bestowed upon Midge Stack-Lennon, who has served as teacher and coach for 31 years; John Finocchio, former member and past president of the Father's Guild; and Doctor Robert Corbino, chairperson of our very fine Music Department. The following people were honored for their years of dedicated service to our Alumni Board: Chris Mendolia '87, Wally Bishop '80, Harold Kelly '56, John McAree '50 and Bro. Campion Lally, OSF '55.

Monday, June 19th, saw over 250 people join together in support of the **13th Annual Golf Classic**, honoring Jane Modry. Jane is a role model of integrity who has displayed through the years genuine concern for her students and players. St. Francis Prep benefited by her presence for more than 30 years. Thanks you Jane!

Congrats to Brian Collins '82, appointed Athletic Director at C.W. Post College in Brookville. Congrats also to Peter Deluca '88 who was inducted into the Fordham University Hall of Fame for baseball. (Also, Dawn Lambertson '89 produced the March 1st ABC show *Lost*).

150 scholarships were awarded to the new incoming September Class – Thanks to you!

Special congratulations are due to our semi-finalist winners Michelle Iocolano '06 and Sylviane Boddy '06 in the **Intel National Science Competition**. I know you join me as proud Alumni of the Prep Family in congratulating students, teachers, Franciscan Brothers, administrators, coaches, moderators and staff members for their efforts and achievements.

Check our school website, school newspapers to see updated school info.

At the Alumni Reunions of March 11, Arthur Rojas '91 informed us that in slightly over two months he will be ordained a priest for the Archdiocese of New York. He is the third priestly vocation from his class. Keep him in your prayers. Remember to pray for vocations to the priesthood, diaconate and Religious Life.

The **2006 Girls Tennis Team** went undefeated again, winning the State Championship for eight years in a row. The team also won the Mayor's Cup for the seventh year in a row. Kudos to Coach John Brennan.

The **Varsity Handball Team** went undefeated for the fourth year in a row and captured its fourth consecutive City

Championship. Congratulations again to Coach Tony Grimm.

A reminder about 2006 Homecoming Weekend. The weekend will kick-off on Thursday evening October 12th, with 3-on-3 Hoops Tournament, followed on Friday, October 13th with the Golf Outing. Then, on Saturday, October 14th, a day at the Races will be held at Belmont Park. In addition; the 5K Fun Run on Sunday, October 15th will be held in memory of Vin Giammona, '79.

The final event of the weekend takes us over to St. John's University on Sunday afternoon to root for the varsity football team against St. Peter's High School of Staten Island. We need and appreciate your help! Let's have a great turnout for our **Homecoming Weekend '06**.

The Class of 2006 was welcomed into the St. Francis Prep Alumni Family.

I would like to wish a fond farewell to Mr. Michael Dilworth, Foreign Language; S. Martha Arnold O.P., Social Studies; Ms. Sylvia Hayduk, Mathematics; Mrs. Jean Janos, Social Studies; and Mr. Paul Speckenbach, Business.

Thanks for your many years of dedicated service. Now it's time to smell the roses.

Please remember in your prayers the repose of the souls of all the deceased members of our Prep Family, including Bob Stenger, a teacher for 48 years; Sister Ellen Boyle, D.W., former Registrar; Mr. Richard Hoffman, former J.V. Baseball Coach; and Mike Fouchet '80, former Basketball Player and Coach.

As we look back on the accomplishments of the past year, we realize that these would not have been possible without the continued support of all our alumni, benefactors and friends. Together we can respond to the changing world and provide our young men and women a quality Franciscan education, a mission we have fulfilled with faith and zeal since 1858. Let us count on your support as we head towards our sesquicentennial celebration in 2008.

As always, I am grateful to all the members of the Alumni Board for all they do for St. Francis Prep and the Prep graduates.

May the blessing of St. Francis be with you and your family.

In gratitude

Brother Robert Kent, O.S.F.

Vin Giammona '79 Memorial 5K Fun Run

“Looking for volunteers and sponsors to assist with the Vin Giammona '79 5K Run”

SFP's Homecoming Weekend 5K Run is dedicated to Vinny Giammona '79, a NYFD Lieutenant who died heroically in the 9/11 terrorist attack on the WTC. Vinny is fondly remembered by all for his incredible spirit and ability to make everyone smile. In his years at Prep, he was co-captain of the Track/Cross Country Teams and naming this run in his honor, is a small gesture from the SFP alumni to celebrate Vinny's life.

Linda Giammona, Vinny's sister, is coordinating this year's event (Sunday, October 15, 2006) and we are looking forward to a very successful outing. We would like to hear from friends, classmates, SFP track teammates, FDNY members or anyone who would like to help out - in any way - to make Vinny's run an event something we can all feel proud of. Proceeds from the run are being dedicated to SFP students in need.

Alumni and friends who are interested in honoring the memory of Vinny G. by volunteering or sponsoring this event, please contact Tracey Kavanagh '78 at TKAVS@aol.com; Brian McKeon '81 at BBBMCKEON@aol.com; Karen McKeon '77 at ksmile2001@yahoo.com; Nick Mosesso '81 at nickymo12@verizon.net or Linda Giammona at never4gt343fdny@optonline.net.

Check the alumni website (<http://www.alumni.sfponline.org> and choose "events calendar") for Vinny Giammona's 5K Run listed under Homecoming 2006 information. Also, look for "save the dates" and registration information in upcoming SFP mailings regarding this event and all other Homecoming 2006 events.

Principal's Dinner - March 2006

On Saturday, March 25, 2006, the Prep's library once again became the fabulous "6100 Restaurant" for the Annual Principal's Dinner.

Organized to recognize the generosity of those who have contributed at The St. Francis Society level and above (\$1000 or more) during the previous year, as well as the members of The Board of Trustees, the dinner also provides the Principal, Brother Leonard Conway, O.S.F., with an opportunity to report on the "State of the Prep" which, thankfully, is very healthy, due in large measure to the ongoing support of its loyal alumni, parents and friends.

In addition to Brother Leonard's report, a wonderful presentation was made to the 90 guests by students Carlo Coumoutsos and Nicole Streakin who spoke about the impact that generous donors had on their lives when it came to financial support for their Prep education.

The next Principal's Dinner will be held at the Prep on Saturday, March 31, 2007.

Our Franciscan Mission

For almost 150 years, the Franciscan Brothers have shared their Franciscan spirit with the students, families, and their colleagues at St. Francis Prep. Brother James McVeigh, O.S.F., Franciscan Mission Coordinator has been working closely with the administration, and in collaboration with Campus Ministry at insuring that our unique Franciscan spirit continues to mold our Prep family. All of the Brothers, like their founder St. Francis, attempt to “mirror Christ” in all they do.

This year, San Damiano crucifixes are being placed in our classrooms. (**Note: Annual Gifts of \$250 or more can be earmarked for the placement of a San Damiano cricifix.**) Praying before the San Damiano cross, St. Francis received his mission: “Go and Rebuild, My Church.” A statue of St. Francis along with the San Damiano crucifix will be part of the environment on the stage for our assemblies, liturgical services, alumni and parent gatherings.

Each year the Franciscan Brothers send several faculty members from each of their schools on an Assisi Pilgrimage so they can capture the spirit of St. Francis and share that

with their students and colleagues. Br. James gives presentations to the new teachers, students and parents inviting them to absorb our Franciscan spirit. A new retreat program has been introduced for ninth graders so that right from the beginning they can focus on our Franciscan heritage and share the values of St. Francis.

In collaboration with Christian Sullivan, Director of Campus Ministry, George Anne Kotowicz, Liturgical Coordinator, William Vogelsson, Service Coordinator and our

Chaplains, Fathers Sweeney and Schwarz, , Br. James is incorporating the Franciscan message into all aspects of our school life. Realizing the importance of student involvement, Br. James is assisted by the Franciscan Youth Movement (FYM). He will also be working closely with our Assisi Pilgrims as they prepare for their pilgrimage and return filled with the spirit of St. Francis, re-energized to share it with our school community. Br. James invites all of our alumni to be attentive to spreading the spirit and values of St. Francis. Feel free to contact him at jmcveigh@sfponline.org.

FYM'S Ink Cartridge Project

The Franciscan Youth Movement (FYM) is committed to keeping the ideals of St. Francis alive in today's society. By taking the peace prayer of St. Francis and applying it to real life situations, FYM involves everyone in the St. Francis Prep community in projects that keep the spirit of St. Francis visible and viable in today's society. Under the direction of Br. James McVeigh, OSF, FYM is involved in many service projects throughout the year from visiting nursing homes, writing to our troops overseas, helping out with special events at nursing homes, and visiting at the Children's Hospital.

The Ink Cartridge Project serves two purposes:

1.) It reminds us of our environmental obligations. St. Francis called everyone to love and respect all aspects of creation from humankind to every aspect of our environment. Recycling the ink cartridges is one simple way of preserving our environment. 2.) The cash we save from the recycling is used to support specific projects that improve the quality of life for needy children and teens. We expect to be reimbursed almost \$2500 by June.

Several charities that we plan on assisting this year are : **St. Bonaventure Indian Mission** - Brother Simon Jaorski, OSF works at this mission in New Mexico with the people of the Eastern Navajo Reservation. The Mission has a school, an outreach program that delivers food, water, clothing and building materials to those in need on the reservation.

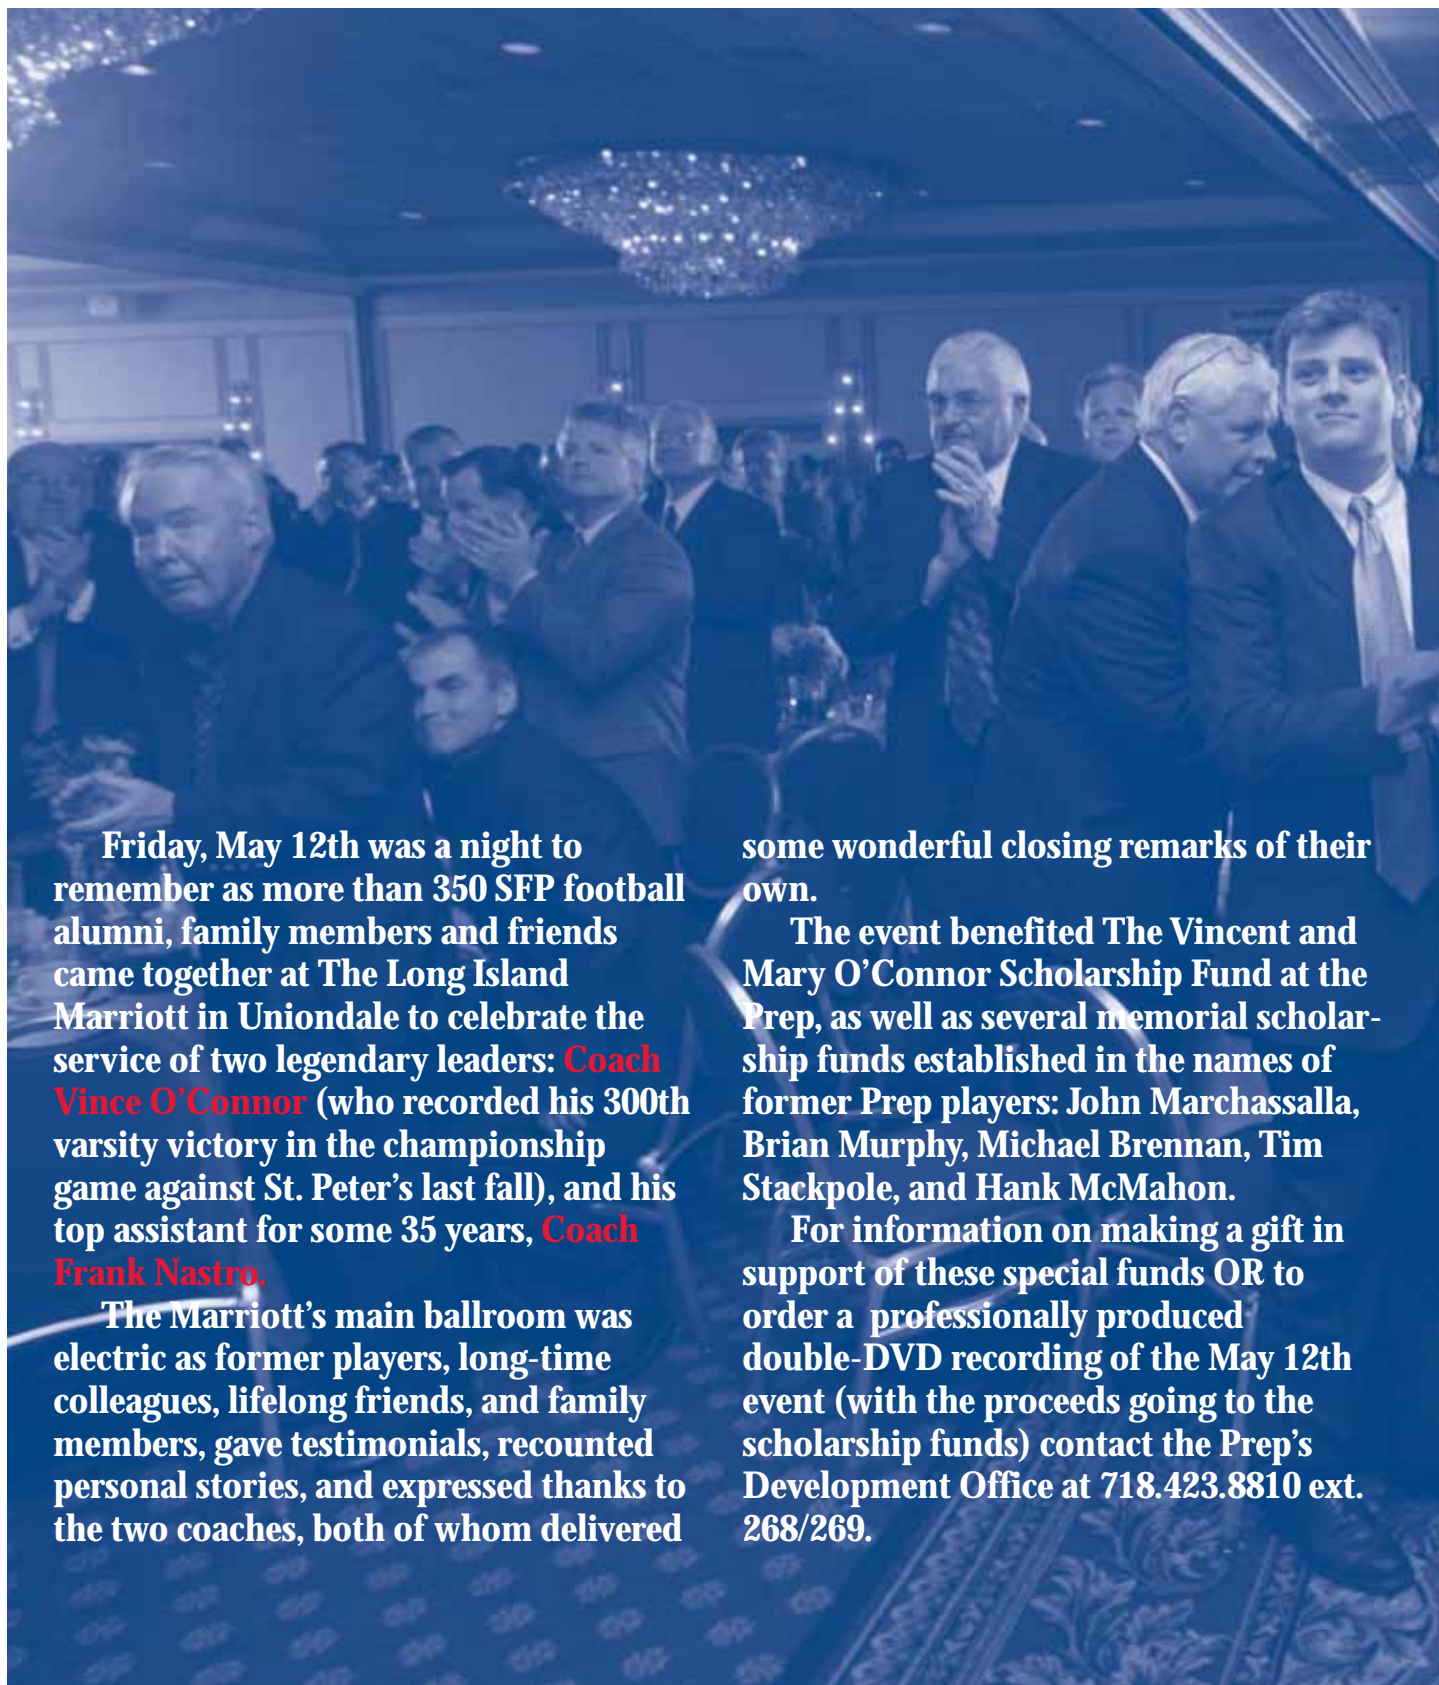

Camp Hope - For years, Brother Damian Novello, OSF has directed or worked at this summer camp for teenagers who were born HIV positive, many of whom are now living with AIDS because the disease was passed on to them at birth. One of the activities at the Camp is Yoga taught by Brother Benjamin, OSF.

Father Bill's Kids - Our chaplain, Father Bill is also a pastor who helps many needy children in his own parish.

Camp Alvernia - Our students are familiar with Alvernia because that is where our retreat programs are held during the year. During the summer, it is a camp directed by Brother Robert La Fave, OSF. We hope to provide some scholarship money to assist poor children who would like to attend Camp Alvernia.

Party for the kids at a Children's Hospital - We are in the process of planning a party at the end of the year for children at a local hospital to brighten their day.

May 12th Testimonial Dinner for Vince O'Connor and Frank Nastro

Friday, May 12th was a night to remember as more than 350 SFP football alumni, family members and friends came together at The Long Island Marriott in Uniondale to celebrate the service of two legendary leaders: **Coach Vince O'Connor** (who recorded his 300th varsity victory in the championship game against St. Peter's last fall), and his top assistant for some 35 years, **Coach Frank Nastro**.

The Marriott's main ballroom was electric as former players, long-time colleagues, lifelong friends, and family members, gave testimonials, recounted personal stories, and expressed thanks to the two coaches, both of whom delivered

some wonderful closing remarks of their own.

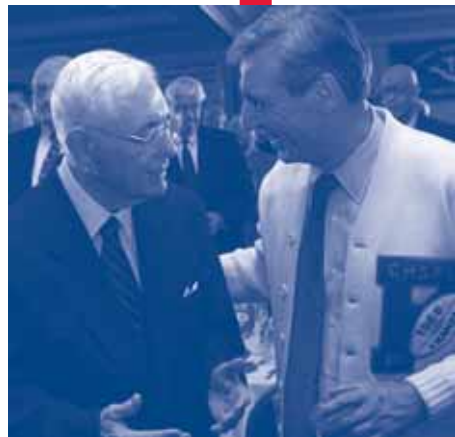

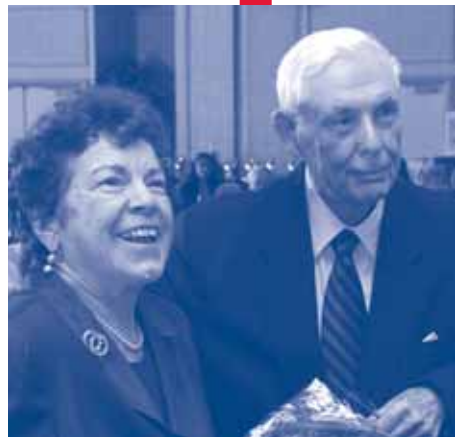

The event benefited The Vincent and Mary O'Connor Scholarship Fund at the Prep, as well as several memorial scholarship funds established in the names of former Prep players: John Marchassalla, Brian Murphy, Michael Brennan, Tim Stackpole, and Hank McMahon.

For information on making a gift in support of these special funds OR to order a professionally produced double-DVD recording of the May 12th event (with the proceeds going to the scholarship funds) contact the Prep's Development Office at 718.423.8810 ext. 268/269.

Alumni in the Financial Services Sector meet on the Floor of the New York Stock Exchange

Thursday, April 27th, 2006 was a special day in the history of the Prep and its ongoing outreach efforts.

Alumni, trustees and friends came together on the floor of the New York Stock Exchange (NYSE) for a wonderful reception hosted by John J. Brown '76, Managing Director at Merrill Lynch and recent SFP Hall of Fame Inductee.

Attendees watched the ticker scroll a message that read, "The NYSE welcomes St. Francis Preparatory School" as they listened to several speakers and celebrated this inaugural gathering of the Prep's **Financial Services Alumni Chapter**. (New local Alumni Chapters are also slated to begin in 2006-07 within the Legal Services/Courts sector and the Health Services sector, as well as in other cities starting with Philadelphia, Washington, D.C. and Boston.)

Pictures from the April 27th NYSE event appear here. A follow-up reception for this Chapter was held on June 22nd at the headquarters of Bloomberg Financial Services in midtown Manhattan. This was hosted by Prep grad and Bloomberg Manager, Jennifer Dooley '93.

If you are interested in learning more about the Financial Services Alumni Chapter or any of the other new chapters, please contact Linda Giamonna in the Development Office at 718.423.8810 ext. 324 or you can e-mail: development@sfponline.org.

June 19th Golf Classic honors Jane Modry

More than 150 golfers and 200 dinner guests joined together at the Cherry Valley Country Club in Garden City on June 19th to honor Jane Modry, recently retired after 38 years of dedicated service, first at Bishop Reilly High School, and then at St. Francis Prep.

Jane Modry has often been described as “Pioneer” in the world of women’s athletics, serving not only as coach in four different sports at Bishop Reilly and then St. Francis Prep but also as a very capable administrator, as exemplified by her efforts to establish the Diocese of Brooklyn Athletic Association in 1971-72, her tenure as Women’s Athletic Director at the Prep from 1984-1999, and her recognition in 1993 as “Administrator of the Year” by the NYS CHSAA Athletic Administrators Association. And all this while keeping up with her daily duties as a Physical Education teacher at Reilly and the Prep.

Following her fifteen-year tenure as Athletic Director, Jane assumed the role of Director of Student Activities at the Prep in 1999 and served in that capacity until her retirement in 2005. During that time she was responsible for establishing a number of new, innovative activities and programs. She also served as the Student Council Director from 2000-2005, and guided that group through the process of re-organizing

into its current Student Government form.

Jane continues to serve as the Diocese of Brooklyn’s Representative to the NYS Catholic High School Athletic Association and as the CHSAA Representative to the NYS Federation of Secondary Schools Athletic Association (positions she has held since 1982), while also serving as Secretary of the NYS Federation for the last ten years.

In 1991 Jane was inducted into the Diocese of Brooklyn’s Hall of Fame. In 2000 she was named an Honorary Alumnus of

St. Francis Prep, and in 2003 she received the Franciscan Spirit Award.

And perhaps it is the Franciscan Spirit Award that best characterizes her contributions over the years, since, in the words of many of her former students and colleagues, “Jane was always there; her door was always open.”

In her own words: “I hope that I have given them (the students) a desire to be active adults. Also, that they would be fair in all that they do.”

She loved “meeting and getting to know such a wide variety of students, and working with such a dedicated and knowledgeable faculty and staff.”

Jane through the years at St. Francis Prep.

June 19, 2006 at The Cherry Valley Club

Jane has now retired to the Pocono Mountains where she resides in Lake Ariel, PA. She is an avid golfer and continues to play regularly. She has one brother, William, and he and his wife live in Ohio.

In summary, perhaps the words of an esteemed former colleague, Sister Eileen Harrigan, SC, really say it best: "Jane Modry is a legend in the Physical Education Department having served at Bishop Reilly even before St. Francis Prep took over the building. She, Helen Lombardo,

Midge Stack and Noreen Kunzi were the 'cornerstones' that developed the department into the vital organization that it is today. Jane went on to develop new programs, raised the quality of Girls' sports, influenced neighboring schools to form a federation, and provided a leadership role in the Diocese. Jane is a role model of integrity who displayed genuine concern for her players, and St. Francis Prep has benefited by her presence for more than 30 years. Thank you Jane!"

The Alumni Website: A Very Practical Application

By Joseph Pantaleo '03

As a young man trying to find his way in life, I have been able to accomplish many things with the aid of my parents, teachers, peers, and other members of my community. I cannot help but remember while I was at the Prep, Mr. Tony Grimm, the moderator of the newspaper in which I was Editor-in-Chief, saying to me, "To whom great things are given, great things are expected." I have never let go of this saying. I also have never let go of the bond that I have with ST. FRANCIS PREP. This was more than a high school for most teenagers who passed through the doors of the school. It became a home and family and a place to turn to in times of crisis or in times of joy. As an alumnus, I now find myself coming back to the Prep to help those students who need guidance. As for myself, I have also turned back to Prep for guidance and reassurance in my own life, and this is where my story begins.

Ever since I was in the second grade, my ambition has been to become a dentist. The infamous question "Why do you want to become a dentist?" is usually the first thing I hear whenever I tell someone about my chosen career path. Having been a Pre-Dental major for the past three years, I have also heard numerous other comments such as, "You really want to look at peoples' mouths all day!?" and, "I hate dentists!"

Well, even though a majority of the people throughout history hated going to the dentist (but were usually far better off for the trouble), this goal of mine is becoming a reality and now it is my turn to ask someone for assistance and guidance.

After speaking to my advisors at St. Francis College, I was told to go back to my high school and see if an alumnus might be willing to show me "the ropes." Maybe they would have advice on the dental school admission process or could show me what type of practice I should pursue, or even allow me to observe their own dental practice. As a member of the St. Francis Prep Alumni Board, I have been a part of the

recent initiative to develop the new Alumni Website. This website was thought to be the best way to enhance the lines of communication with the vast number of alumni that St. Francis Prep has placed throughout the country (and the world), while also making it much easier for graduates to help other graduates. With this in mind, I decided to put the website to the test. I took the tools the Prep provided for me and I searched on the website for all alumni who have registered on the site and have a career in Dentistry.

I e-mailed a couple of the people whose names I saw, but one name was of particular interest because it was close-by in the city and it seemed like it might be a good fit. The name that I came across was Dr. Alexandra Simpson, DDS (SFP Class of 1996). She graduated from NYU (where I am looking to attend) and I could not help but think that it would be a good idea to e-mail her and see what would happen. Well, little did I know that I would soon be walking into an office setting that was more than accommodating and where I could really "learn the ropes."

Dr. Simpson recently graduated from NYU College of Dentistry and she has allowed me to have "hands-on" experience and really see what Dentistry is all about. The first time I walked into her office, I could see that Dr. Simpson's attitude and actions truly embodied the ideals we were taught at St. Francis Prep. I have been in the office for a couple of months now as her assistant, and I have learned a great deal about Dentistry, including how to run a private practice (from the discussions I have had with her, her father and her stepmother). I could not help but feel that I was in the presence of a loyal St. Francis Prep graduate when I heard these words from Dr. Simpson: "My father has given me a lot and I was lucky enough to work in a Dental office and gain experience before I went into Dental school. In fact, I have been given much more than the average person, so the least I can do is give something back to someone who is truly interested in Dentistry."

Spoken in the true Franciscan spirit. Thank you, Dr. Simpson. On for Ol' St. Francis!

LAPCHICK

BY GUS ALFIERI (SFP Class of '55)

"[Gus Alfieri] provides, through one pivotal figure, a clearer understanding of the issues behind the development of modern basketball, of its style of play, of its social significance and of its maneuverings to become profitable entertainment. Lapchick respected basketball, and fans of the game will respect this warm and intelligent biography." —Kirkus

Reverential Homage to Basketball Great Joe Lapchick Provides a Priceless Look at the History of the Game

GUILFORD, CT (THE LYONS PRESS) — September 15, 2006 — Joe Lapchick. The name is legendary in the history of basketball. As a Hall of Fame player and member of the Original Celtics barnstorming team, a coach of four national championship teams at St. John's, and the first coach of the New York Knicks, Lapchick made a lifetime of contributions to the game he loved. In *LAPCHICK: The Life of a Legendary Player and Coach in the Glory Days of Basketball* (The Lyons Press, October 2006) the only biography dedicated to this legendary figure, Gus Alfieri not only tells Lapchick's life story but also provides a priceless look at the history of the game—from its early rule changes and barnstorming and club teams, to dramatic National Invitational Tournament games (when the NIT was the best tournament in the country) and college basketball point-shaving scandals, to the formation of the National Basketball Association. Perhaps most significantly, Lapchick's signing of the Knicks' Sweetwater Clifton, the first African-American player to sign with an NBA team, led the way in the movement to integrate the league. Both an inspiring story of a pioneer sports figure and a nostalgic look at the era in which he played, Lapchick is a must-read for any basketball fan with a passion for the game.

ABOUT THE AUTHOR: GUS ALFIERI played for Joe Lapchick at St. John's University for the school's 1959 NIT championship team. He teaches in the graduate school at Stony Brook University and directs the All-American Basketball Camp on Long Island. Alfieri lives in Smithtown, New York.
