

KATY ROSECRANS

Katy moved to Arizona in 2018 from Minnesota. She is an Employee Benefits Consultant with Brown & Brown Insurance. However, many years ago she was in a similar seat as many of you when she worked for a plumbing company back in Minnesota and wore many hats like most HR Professionals do. Everything from bookkeeping, payroll, HR, benefits, scheduling etc. She likes to think that is where her passion for HR came from. She has been lucky enough to partner with HR Professionals all throughout her career in the payroll industry as well as insurance.
