RE: HB 2200 Relating to Public Safety

Aloha Chair Johanson, Vice Chair Holt and members of the committee:

On behalf of the Society for Human Resource Management – Hawaii Chapter (“SHRM Hawaii”), we are writing in support of HB 2200, relating to public safety. This bill is an important step toward contributing to workplace safety.

Human resource management professionals are responsible for the alignment of employees and employers to achieve organizational goals. HR professionals seek to balance the interests of employers and employees with the understanding that the success of each is mutually dependent. SHRM Hawaii represents more than 800 human resource professionals in the State of Hawaii. We look forward to contributing positively to the development of sound public policy and continuing to serve as a resource to the legislature on matters related to labor and employment laws.

Mahalo for the opportunity to testify.
