RE: HB 2201 Relating to Employment

Aloha Chair Johanson, Vice Chair Holt and members of the committee:

On behalf of the Society for Human Resource Management – Hawaii Chapter (“SHRM Hawaii”), we are writing in support to HB 2201, relating to employment. This bill seeks to clarify that Hawaii's anti-discrimination law does not prohibit or prevent an employer, employment agency, or labor organization from refusing to hire or refer or from discharging an individual for reasons unrelated to unlawful discriminatory practices.

Human resource management professionals are responsible for the alignment of employees and employers to achieve organizational goals. HR professionals seek to balance the interests of employers and employees with the understanding that the success of each is mutually dependent. SHRM Hawaii represents more than 800 human resource professionals in the State of Hawaii. We look forward to contributing positively to the development of sound public policy and continuing to serve as a resource to the legislature on matters related to labor and employment laws.

Mahalo for the opportunity to testify.
