ATTENDEE SPOTLIGHT

For Jordan Krugman, the educational content is a key draw to the AFP Annual Conference.

He especially enjoys the sessions the AFP Executive Institute has to offer. “You’re managing your staff, so what are the best practices around talent development? What are the macro topics that ultimately we’re all responsible for understanding and managing? It’s really relevant content for senior level executives,” he said.

Jordan Krugman, CTP
Treasurer and Head of Finance and Corporate Services
for Investments and Alternatives
Invesco Ltd.

“There’s always something new that I take away that helps me do better for my team, or helps my team do better.”

Michael Patrick Lydon, CTP
Treasury Manager
Advanced Drainage Systems, Inc.

Michael Lydon's first year at the AFP Annual Conference was undoubtedly a good one.

"You don't know what you don't know until you actually sit in some of these sessions," he said. "Given the number and diversity of workshops available, there was not a point in which I had a problem finding something of interest."

"I can honestly say that the ideas acquired at the conference have already made a positive impact in our organization."

Steve Bohn, CTP, FP&A
CFO
Motion and Flow Control Products

The AFP Annual Conference offers Steve Bohn the chance to interact with both his peers and key vendors. In doing so, he is able to keep up with the latest trends – a benefit both to himself and his organization.

“This conference has been great for meeting people in the profession. But I also met a lot of vendors that have products that I think will reduce costs for my company.”

“We all need to be ready for the next job. And being conversant in the latest industry trends and vocabulary is essential in that process.”
