

Beyond Monetary Support

The CAL-PT-PAC needs your help beyond your generous donations. There are two non-monetary ways that CPTA members may help support the CAL-PT-PAC.

1. Volunteer to be the CAL-PT-PAC Advocacy Chair for your district.

There are no meetings to organize, run or preside over. All we need is a few hours of your time each month to help write letters to select members of your district and to help with fund raising efforts your district meetings. You will have the full support, attention and guidance of the CAL-PT-PAC Board of Trustees. If interested, please contact your district chairperson or CPTA staff

2. Become a Key Contact

Your help in ensuring that every legislator in the State of California knows a physical therapist will make a huge difference in our efforts to promote physical therapy issues in Sacramento. Our goal is to identify a key contact for every Senate and Assembly District in the state, which is a total of 120 dedicated professionals like you. We are asking that, as a Key Contact, you make contact with your Senator or Assembly Member at their district office to schedule an appointment with him or her, or with the staff person who handles health issues. Do not feel slighted if your appointment is with staff, rather than with your Legislator. This can be a good thing as many times staff members are able to spend more time with you and they advise the legislators on the issues.

In order to maximize the impact of every PAC dollar contributed to a Legislator, attendance at fundraisers by constituents in the Legislator's home district seems to be more effective than attendance at fundraisers in Sacramento; therefore, as a Key Contact, you may be asked to attend fundraisers for your Legislator in your district. The CAL-PT-PAC will provide the contribution to get you in the door. All you have to do is show-up, eat, drink and mingle.

If you are interested in becoming a Key Contact, please complete the Key Contact Form and fax it to the CPTA Office at (916) 646-5960. If you have questions about the program, please contact Tameka Island at (916) 929-2782 or tisland@ccapta.org.
