Society of Fire Protection Engineers Honors Fellows for 2010

New Orleans -- October 4, 2010 – The Society of Fire Protection Engineers (SFPE) honored the 2010 Fellows at its Annual Fellows Reception.

SFPE Fellows represent a distinguished group of members who have been recognized for their significant accomplishment and stature in the profession of fire protection engineering. Fellows have been members of the Society for at least 10 years and have been nominated by their peers.

The SFPE Fellows for 2010:

- Kerry M. Bell, P.E.
- Deborah F. Boice, P.E.
- Antonio C. Braga, P.E.
- Randal G. Brown, P.Eng., P.E.
- Nicholas A. Dembsey, Ph.D., P.E.
- John August Denhardt, P.E.
- Bogdan Z. Dlugogorski, DSc, CP Eng
- Marc L. Janssens, Ph.D.
- Michael T. Newman, P.E.
- Guyléne Proulx, Ph.D.
- Beth A. Tubbs, P.E.
- Jeffrey S. Tubbs, P.E.
- Ulf Wickström, Ph.D.

“Fellow is the highest grade of SFPE membership,” said SFPE Engineering Program Manager Chris Jelenewicz. “Fellows lead our profession in their technical accomplishments and in their service to the profession.”

About Society of Fire Protection Engineers
Organized in 1950, the Society of Fire Protection Engineers (SFPE) is the professional organization that represents engineers engaged in fire protection worldwide. Through its membership of over 5,000 professionals and 65 international chapters, SFPE advances the science and practice of fire protection engineering while maintaining a high ethical standard. SFPE and its members serve to make the world a safer place by reducing the burden of unwanted fire through the application of science and technology.

More information about SFPE can be found at www.sfpe.org.
