SFPE Announces 2014 Fellows

Bethesda, MD – July 1, 2014 – SFPE has recognized seven of its members as Fellows for 2014. SFPE Fellows represent a distinguished group of members who have achieved a standard of excellence in the profession. Election to fellowship not only recognizes the achievements of fire protection engineers as individuals, but also their significant contribution to fire protection engineering and society globally.

The 2014 Honors Committee from SFPE elevated seven members to its prestigious level of Fellow. Out of a total SFPE membership of almost 4,000 there are only 263 fellows.

Robert P. Benedetti, FSFPE
NFPA
Chapter: New England

Douglas J. Carpenter, FSFPE
Combustion Science & Engineering, Inc.
Chapter: None

April L. Hammond-Berkol, FSFPE
Zurich North America
Chapter: New York Metro

Tom Christman, FSFPE
Self Employed
Chapter: Tennessee Valley
“Fellow is the highest membership grade within SFPE,” said SFPE President Carl Baldassarra. “We honor their leadership and contributions to the profession and we are proud that they represent us in engineering a fire safe world.”

SFPE will formally recognize the 2014 Fellows at its Fellow’s Gala Dinner on October 14, 2014, at the SFPE 2014 Conference and Expo in Long Beach, California.

About SFPE
Organized in 1950, the Society of Fire Protection Engineers (SFPE) is the professional organization that represents engineers that engineer a fire safe world. Through its membership of over 4,000 professionals and 76 chapters worldwide, SFPE advances the science and practice of fire protection engineering while maintaining a high ethical standard. SFPE and its members serve to make the world a safer place by reducing the burden of unwanted fire through the application of science and technology. More information about SFPE can be found at www.sfpe.org.
