How to Find Your Total Number of CEUs Or Print Your Transcript

Wednesday, March 09, 2016 2:35 PM

Go to Manage Profile

Click on "Professional Development"

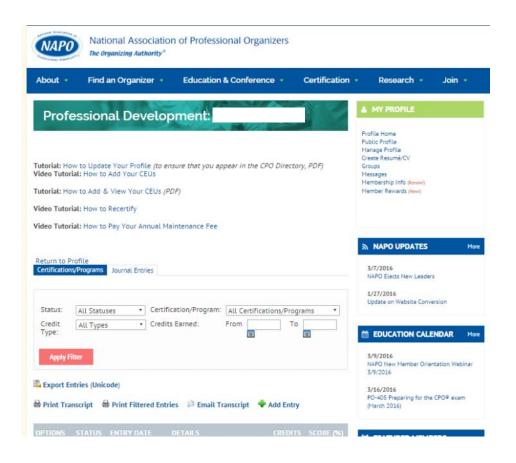

To print ALL:

Do not change your filters and click "Print Filtered Entries"

To Print specific courses, use the filter options to select your parameters and then click "Apply Filter"

Then click "Print Filtered Entries"

The transcript will open in a new screen with a total number of CEUs at the bottom:
