

USF St. Petersburg Stage Schedule: Located in Zone 1

- 10:30 Giving Tree Music
- 11:30 MOSI Steam Punks
- 12:00 Mad Science-Opening
- 12:45 Mad Science-Show
- 1:45 Funky49
- 3:00 Kidding Around Yoga
- 4:00 Closing Statements

EXHIBITOR INFORMATION

- 1 St Petersburg Amateur Radio Society**
WorldwideCommunication Via Amateur Radio
- 2 Tampa Bay Rays**
- 3 The Dali Museum**
- 4 Mad Science**
Space: To Infinity
- 5 USFSP**
- 6-18 Eckerd College**
Eckerd College Science
- 19-22 USGS**
Foraminifera as climate indicators, The web of Life, Coral Reefs in a changing climate, Coastal hazards
- 23 Pathfinder Outdoor Education**
Fire Quest
- 24 Saint Petersburg Astronomy Club**
Astronomy
- 25 Channelside Academy of Math and Science**
- 26 St. Petersburg Library System**
STEAM Into Your Library
- 27 SCUBAnauts International**
Science and Education Through Exploration
- 28 Sea to Shore Alliance**
Sea Turtle Conservation
- 29 National Science Teachers Association at USF**
Hands-on Inquiry Science
- Food**
Maggie on the Move, Just Desserts
MMM Bap Korean Cuisine, Surf N Turf
Pasta Bowl Food Truck, The Cheesesteak Truck
Krepelicious - Crepes & Paninis, St. Pete Concessions

Zone 2

- 30 Pinellas County Utilities -South Cross Bayou Water Reclamation Facility**
Recovering Valuable Resources from Waste
- 31 Douglas L Jamerson, Jr Elementary**
K'Nex Car Investigations
- 32 Keep Pinellas Beautiful**
- 33 WaterVentures Florida's Learning Lab and Crystal Springs LIVE!**
- 34 STEAM Girls of Thurgood Marshall Fundamental Middle School**
Science of Sound
- 35 Girl Scouts of West Central Florida**
Code Break
- 36 Boy Scouts of America**
Launching Into Scouting
- 37 Clearwater Marine Aquarium**
Sea Turtle Nesting
- 38 Imagine Our Florida, Inc.**
Florida black bear and forest health
- 39 Hillsborough Community College**
- 40-42 National Forensic Science Technology Center**
CSI:Largo
- 43 Gulf of Mexico Coastal Ocean Observing System**
Hunker down or leavetown...are you weatherready?
- 44 Bay Point Elementary**
- 45 Mote Marine Laboratory and Aquarium**
Corals in Trouble: Ocean Acidification Lab
- 113 Nelson Poynter Memorial Library, USFSP**
Harry Potter's World: Renaissance Science, Magic, and Medicine
- Food**
Whateverpops

Zone 3

- 46 Florida Institute of Oceanography**
- 47 ED Lab at Pure Air Control Services, Inc.**
Indoor Air/Environment Quality Public Awareness
- 48 Bay News 9**
Weather Forecasting
- 49-54 NOAA**
Inflatable marine mammals, Gyoatku, Touch tank, Specimens on display, Weather info, Turtle hurdle
- 55 USFSP and USF CMS: DEEPEND Consortium**
Exploring the DEEP with the DEEPEND Team
- 56 USF CMS Murawski's Minions**
Gulf Detectives: Fishing, Sediments, and Oil spills
- 57 USF CMS Daly Zooplankton Lab**
Goldilocks the Zooplankter
- 58 USF CMS Paleoceanography**
Unlocking Earth's secrets from the Gulf to the Poles
- 59 USF CMS Fish Ecology Lab**
The Life of a Fish
- 60 USF CMS Dr. Brad Seibel's Lab**
Dead Zones: Adapt, Escape, or be left BREATHELESS!
- 61 USF Astrobiology and Astronomy Club**
- 62 MOSI (Museum of Science and Industry)**
Mission Nutrition
- 63 UF/IFAS Extension -Pinellas County 4-H**
Drone Discovery

Zone 4

- 64 Great Explorations Children's Museum**
Interactive tabletop science activities
- 65 University of Tampa ASBMB Student Chapter**
Genes in a Bottle
- 66 Discovery Academy of Science**
Electronics
- 67 Florida Aviation Historical Society**
Beniost Exhibit (Airplane)
- 68 City of St Petersburg, Boyd Hill Nature Preserve**
Meet the wildlife of Boyd Hill Nature Preserve
- 69-72 SharkCon**
Florida Aquarium, Sharks 4 Kids, Shark Conservation Center, Busch Gardens
- 73-77 USFSP Department of Biological Sciences**
Biology: Life is All Around You
- 78-87 USFSP Environmental Science and Sustainability Club**
