ISSA MEMBERSHIP ELECTS ANDREW CROW 2009-2010 PRESIDENT

During its 47th Annual Convention held in Indian Wells, California, the membership of the International Slurry Surfacing Association (ISSA) elected Andrew Crow, MeadWestvaco Corp., Charleston, South Carolina, to the office of President for the 2009-2010 term.

Andrew is the Business Director Asphalt Innovations Group for MeadWestvaco Corp and has been involved in the industry with MeadWestvaco since 1991, starting in Sales then moved to Brussels, Belgium, as European Business Manager 1998 – 2001, moving back to the United States as Business Director. Andrew earned his Bachelor's in Chemistry from Clemson University and he and his wife are raising two sons in Charleston, SC.

Other 2009-2010 officers elected were:

- Vice President – Tim Harrawood, Vance Brothers, Inc., Conway, Arkansas
- Secretary – Pierre Peltier, SemMaterials, L.P., Tulsa, Oklahoma
- Treasurer – Mike Buckingham, Strawser Inc., Columbus, Ohio
- Past President – Alan Berger, Valley Slurry Seal Company, W. Sacramento, California

A complete list of the ISSA 2009- 2010 Board of Directors and committee chairs is attached.

The International Slurry Surfacing Association is an international non-profit trade association comprised of slurry & micro surfacing, chip seal, and crack treatment contractors, equipment manufacturers, public officials, research personnel, consulting engineers and associated industry interests, working together to promote the increased and more efficient use of slurry, micro surfacing, chip seal and crack treatments in roadway pavements.
