

BIOGRAPHY FORM

PLEASE COMPLETE & RETURN FORM BY JULY 10

Please use the spaces below to provide us with a short biography. Include your job title, job description, previous work history, awards/associations, and publications/patents. [Limit 125-150 words]

Helpful Tip: Session chairs use your biography to introduce you before your presentation, so we recommend keeping it concise. The shorter the bio, the more time you'll have to share your expertise with the audience!
