AMEC 2020

THE 20/20 VISION:
DYNAMIC LEADERS FOR A HEALTH REVOLUTION

CONFERENCE PRELIMINARY AGENDA

CLEVELAND, OH
APRIL 8-12, 2020
About the Conference:

The Annual Medical Education Conference (AMEC) has become a national cornerstone activity in which both students and professionals gather with high anticipation. More than 2,200 medical students, premedical students, and physicians gathered in Philadelphia for AMEC 2019 and we anticipate 2,200+ at AMEC 2020. AMEC 2020, takes place in Cleveland, Ohio, April 8-12 and will consist of interactive workshops and sessions that will not only prepare premed and medical students in their journey to become socially competent and clinically excellent physicians, but also provide the opportunity to network with students and physicians from all over the country. In addition, we will celebrate SNMA’s 56th year of diversifying the face of medicine.
