Please join the Pipeline Mentoring Institute (PMI) for our PMI Webinar Series throughout October and November! We will continue to showcase chapters that have successfully started and maintained pipeline programs on their campuses. Come learn about the various pipeline programs housed under the PMI for K-12 students, including the Health Professions Recruitment and Exposure Program (HPREP), Youth Science Enrichment Program (YSEP), and the Brotherhood Alliance for Science Education (BASE), as well as the Pre-Medical Minority Enrichment and Development (PMED) Protocol for premedical students. This series is a continuation of the Pipeline Preview Month Webinar Series that began in August. The next webinar will take place on Sunday, October 10th at 8 PM EST and is entitled "Using the Pre-Medical Minority Enrichment and Development (PMED) Protocol for MAPS Chapters" featuring the Michigan State University College of Human Medicine (MSUCHM) SNMA Chapter. If you are interested in learning more about the PMI and how your SNMA or MAPS chapter can start a program with schools in your community, we invite you to attend our webinar series to learn from chapters that have successfully implemented programs in their communities. If you have any questions, please feel free to reach out to the PMI Fellow at pmi@snma.org. We look forward to seeing you there!

New Podcast Episode on SNMA's *The Lounge*

September: Mind Your Mental Health

In this episode, we discuss the importance of maintaining mental health as a healthcare professional, and how medical culture can contribute to poor mental health among physicians. We also interview Dr. Roxann Clarke, certified in Podiatric Medicine and Reconstructive Foot and Ankle surgery, where she discusses her journey into podiatry and how her career connects to her business. Then, step into our Financial Corner for some financial management tips. You won't want to miss this! Disclaimer: The opinion and views expressed on our podcast do not reflect the official stance of Student National Medical Association.

The Lounge is a space for SNMA to deliver on its mission through collaborations and engagement on student-led topics. In our second season, we are looking forward to providing folks with relevant conversation, hot topics, and current events surrounding people underrepresented in medicine.
