- SNMA Policy & Procedures Manual Now Available!

The deadline for submitting content for each week’s edition is every Monday at 5 p.m.
Pipeline Mentoring Institute Leadership Application

*Apply by September 3, 2021*

Are you committed to mentoring K-12 and premed students? Are you passionate about recruiting, retaining, and matriculating more underrepresented minority (URM) students into medicine and other STEM-related healthcare fields? Are you excited about increasing SNMA’s community outreach throughout the country through pipeline programming? If so, you should join the Pipeline Mentoring Institute Leadership Team! The Pipeline Mentoring Institute (PMI) is looking for dedicated medical and premedical students who are passionate about strengthening the pipeline of URM students into medicine and other STEM-related fields. If you’re interested in joining the PMI Leadership Team, completed applications are due on or before Friday, September 3rd by 11:59 PM EST. If you have any questions, please contact the PMI Fellow at pmi@snma.org. We look forward to reviewing your applications!

SNMA Presents: The Lounge

*New August Episode on Spotify!*

Check out the latest podcast episode, *Get Ya Life Right!,* which dropped on August 6th! In this jam-packed episode, we discuss many things to get your life right, from the importance of financial literacy to how to protect your skin from the sun’s often unforgiving rays. We also have two guest speakers, Drs. Smith, and Slater, who speak on how to help our patients get their care right, from the support of palliative medicine to hospice planning, and where diversity in medicine fits into palliative care and hospice medicine. Of course, there’s more, tune in to hear it all!

The Lounge is a space for SNMA to deliver on its mission through collaborations and engagement on student-led topics. In our second season, we are looking forward to providing folks with relevant conversation, hot topics, and current events surrounding people underrepresented in medicine. New Episodes Drop Monthly on Spotify and Apple Podcasts! Interested in sponsoring an episode? Email us here!
SNMA NEWS & UPDATES

Sowing Seeds Specialty Series Continues in September!

Save the Dates for additional webinar dates and join us on Facebook Live or YouTube Channel to learn from our panelists!

- Sept. 8: Anesthesiology
- Sept. 15: Dermatology
- Sept. 22: Combined Residency
- Sept. 29: Surgical Specialties

SNMA Policy & Procedures Manual Now Available!

The SNMA Policy & Procedure Manual is now available to all members on our website. Sign into your account on the snma.org and look for "Policy & Procedures Manual" under the "Members" tab.
PART IV: MOCK INTERVIEWS

Happening in September!

Each member will be matched with a physician in your specialty of choice and given the opportunity to practice in advance of the interview season! You will be contacted in a separate email to arrange your mock-interview during the month of September.

PART V: MAKING THE MATCH

Dates and Location Coming Soon

You’ve submitted the application and interviewed. Now it’s time to Match! This webinar will discuss building your match list and everything that you need to know about surviving Match week.

Did You Miss the August 10 & 17th Webinars?
Watch the recordings for ERAS Essentials & Finetuning Your Personal Statement/CV here!

For any questions regarding specialty-specific webinars and mock interviews, please contact sigvicechair@snma.org. For all other questions, contact National President Thompson at president@snma.org.
UCLA Psychiatry Virtual Recruitment Events

*September 9, 2021, 3-7 PM EDT*

Register Here. With another virtual recruitment season upon us, getting more face time to learn more about programs is essential! UCLA Psychiatry will be hosting two virtual recruitment information sessions on 8/26 and 9/9 (12-4pm PST). These events will feature a meeting with the program directors, residents, sessions for interest groups including Community and Global Psychiatry and Justice, Equity, Diversity, and Inclusion, and a roundtable for persons identifying as LGBTQ+ and for URMs. To stay up-to-date and sign up for either of these virtual sessions, please register at the above link. Please email questions to btarrant@mednet.ucla.edu.

Penn State Health Virtual URiM Residency Open House

*September 9, 2021, 6:30-8 PM EDT*

Register here by September 2. On Thursday, September 9 from 6:30 – 8 p.m. (EDT) the Penn State Health Office for Diversity, Equity, and Inclusion in conjunction with the Penn State College of Medicine’s Office of Graduate Medical Education (GME), will be hosting a virtual open house for prospective Underrepresented in Medicine (URiM) residents. This event will provide an opportunity for prospective residents to learn more about Penn State Health, hear from current URiM residents about their experience and connect with representatives of the various residency programs available. Please RSVP by September 2. If you have any questions or require accommodation of a disability to participate, contact the Diversity Office diversity@pennstatehealth.psu.edu.

The Society of Black Neurologists: Careers in Neurology Webinars

*September 9 & 30, 2021, 8 PM EDT*

Attend Here 9/9. Join members of The Society of Black Neurologists for a conversation about careers in neurology. This is the first of two sessions and will include representatives from epilepsy, clinical neurophysiology, neurohospitalist, neurocritical care, stroke, and child neurology. For more info, email andrew.spector@duke.edu. Attend Here 9/30. This is the second of two sessions and will include representatives from movement disorders, behavioral neurology, neuroimmunology, sleep medicine, headache, and intraoperative monitoring.
Saint Louis University Internal Medicine Residency Program
Diversity Q&A

*September 11, 2021*

Register before Saturday, September 11, 2021, 7pm CST, 8pm EST. The Saint Louis University Internal Medicine Residency Program will host a virtual diversity meet and greet for underrepresented in medicine (URiM) 4th-year medical students to meet current residents and faculty. Please email questions to christian.hendrix@health.slu.edu.

UCLA Residency Event 2021

*September 11, 2021, 12-5:30 PM EDT*

Register here by September 3. UCLA Graduate Medical Education and the DGSOM Office of Equity, Diversity, and Inclusion are excited to announce our third annual Road to Residency event taking place on Saturday, September 11th, 2021, from 9AM - 2:30PM PST. Due to the COVID-19 pandemic, this event will again be held virtually. UCLA's Road to Residency is a (virtual) conference catered to medical students who are underrepresented (and historically excluded) in medicine. Join us for workshops tailored to medical students of all years, networking workshops, and resident and faculty panels! There will be representation from a variety of specialties, residents and fellows of all post-graduate years, and program and assistant program directors.

The University of Texas Medical Branch (UTMB): Global Health Governance & Diplomacy Course

*September 13 - October 1, 2021*

Register Here. The course aims to build capacity for sustainable development goals by cultivating a better understanding of the governance structures for health, the challenges of program implementation, and the application of a health diplomacy framework. This course is designed as an inter-professional learning opportunity for: students across health professions and public health practitioners. For more information, please contact: Hani Serag, MD, MPH haserag@utmb.edu Matthew Dacso, MD, MSc mmdacso@utmb.edu
University of Chicago Medicine - Virtual Residency Showcase

*September 18, 2021, 11 AM EDT*

Register Here. The University of Chicago Medicine’s Office of Graduate Medical Education is hosting a Virtual Showcase for 3rd and 4th year medical students on Saturday, September 18th at 10:00am. This will be an opportunity for medical students to learn about the residency programs offered at UChicago Medicine – talk with residents, meet Program Directors, learn about Diversity, Equity, and Inclusion Efforts! Sessions Include: Resident Panel • Diversity, Equity, and Inclusion • Program Director Panel • Individual Program Sessions Contact GME.Office@uchospitals.edu with any questions! See Flyer.

Cambridge Health Alliance: Sex, Sexuality and Gender: Children and Adolescents Webinar Series

*September 24 - October 22, 2021, 12:00-1:30 PM EDT*

Register here by September 23rd. Alliance, a teaching hospital of Harvard Medical School, offers livestream continuing education programs in Psychiatry throughout the year. We invite SNMA members to attend these courses free of charge. Our first course will focus on the neurobiological, psychological, and psychosocial aspects of gender and sexuality development in children and adolescents. The series will include lots of discussion/Q&A time, and is applicable to those in any medical specialty, to be able to understand, communicate with and treat young patients in a more holistic manner. Please email cme@challiance.org and include the subject line 'SNMA free access offer'. Thank you and we hope you can join us this year!

Harvard RISE: Radiation Oncology Intensive Shadowing Experience

*Weekly Until October 9, 2021, 8-5 PM EDT*

Attend Here. On behalf of the Harvard Radiation Oncology Program, in affiliation with the Massachusetts General Hospital and Brigham and Women's Hospital, Boston, MA we invite all fourth-year medical students underrepresented in medicine (UIM) to participate in RISE, a one-week Radiation Oncology Intensive Shadowing Experience. This program includes: UIM panel of residents and early faculty discussing their experiences in clinical radiation oncology, research, and the application process. One-week shadowing experience varied "hands-on" patient care experience, personalized teaching and mentoring with Harvard faculty and residents, including assistance with navigating the application process and personal statement. Questions? Please contact RO_RISE@mgh.harvard.edu.

National Medical Fellowships’ Scholarships

Click here for more info or to apply!

Since inception, National Medical Fellowships’ scholarships and awards have been at the core of its programming. NMF scholarship programs recognize merit as well as financial need. Over the years, funding for scholarships has come from hundreds of foundations and from individuals. NMF actively seeks and welcomes partnerships to build the scholarship program.

Scholarship for URiM at Cleveland Clinic

Apply Here

Cleveland Clinic is offering scholarships to 10 underrepresented students in medicine so that they may participate in a four-week clinical rotation to learn firsthand what it is like to be a resident at Cleveland Clinic and to learn about our culture. During the four-week clinical rotation, the students will spend time with the teams that care for patients on either outpatient or inpatient clinical services. Each student will be paired with an advisor/mentor who will provide career guidance. Nearly two dozen GME residency programs and a pharmacy residency program are available for clinical rotations. Students can rank up to three clinical specialties for their rotation. Ten students will be chosen annually to receive a scholarship. In addition, each of the students will receive a $2,500 stipend and free on-campus housing.
University of Missouri Visiting Student Diversity Program for Fourth Year Students: Multispecialty/Physical Medicine & Rehabilitation

Apply Here. The University of Missouri School of Medicine has a continued commitment to diversity and inclusion. We recognize the educational benefit of a diverse academic environment and strive to enable our students to care for the growing diversity of our community and beyond. Our Visiting Student Diversity Program provides opportunities for 4th year medical students to do an elective rotation with the University of Missouri School of Medicine and MU Healthcare. Students will receive up to $950 for housing during their elective which may be accompanied by an additional stipend provided by the individual department to which the student is assigned. Available Rotations: Family Medicine Physical Medicine and Rehabilitation Internal Medicine Orthopedic Surgery Child Health (Pediatrics) Radiology Emergency Medicine General Surgery Application Process Apply through VSAS for an away rotation AND submit the supplemental application for the Visiting Student Diversity Program to the program administrative assistant, Kate Wessler (wesslerk@missouri.edu). Eligibility Students must be enrolled as a 4th year student in an LCME accredited institution at the time of the elective.

Osmosis Back to School Resources

Students are struggling more than they need to. Why? Because they’re trying to cram their unique learning style into tools that don’t work for them. With Osmosis’s tailored, efficient learning platform, it’s like turning on a switch that instantly gets you fully focused. Finally, you can learn YOUR way, retain what you study… and THRIVE. Try for Free.

Kaplan Back to School Contest & Free Event

Enter Contest. TEST YOUR SKILLS (PLUS, A CHANCE TO WIN PRIZES) Sign up for a free quiz and see how strong your subject knowledge is. You’ll get detailed explanations for every question—so you’ll know just how to handle any surprises on test day. Even sweeter? You’ll be entered for a chance to win a 12-month Qbank, a Kaplan Anatomy Coloring Book, and a $100 Amazon gift card. Free Kaplan Events for SNMA Members: M3 Panel: Med School 101: September 28th, 8:00 - 9:00 PM EDT. Register Here

Kaplan Student Brand Ambassadors Needed

Appy Here. Kaplan is recruiting for Student Brand Ambassadors! We're looking for first year med students who are looking to share resources and helpful information with their classmates for only 3-5 hours per month. Ambassadors receive a free Qbank Integrated Plan and $25 per hour. For questions, contact Kristen Smith at kristen.smith1@kaplan.com directly.
Blueprint Seeking MCAT Online Instructors

Blueprint is hiring dynamic MCAT instructors to join our growing team of educators. Our instructors deliver best-in-class learning experiences and amazing score improvement results. As one of our instructors, you will prepare students for the MCAT using our proven Blueprint methodology and curriculum. [Apply here!](#) Learn more about our programs at [blueprintprep.com/mcat](http://blueprintprep.com/mcat).

- Help future doctors achieve life-changing scores on the MCAT.
- Rates starting at $75/hr for primary and $35/hr for secondary instructors.
- Take advantage of a flexible work schedule - classes are primarily hosted on evenings and weekends so you can pick a schedule that works best for you.
- Enjoy professional development and leadership coaching opportunities.
- Contribute to the future of Blueprint’s MCAT curriculum development initiatives.
American Academy of Pediatrics: Elevation Mentorship Program for Undergraduates & Medical Students

*Apply by September 10, 2021*

Opportunity Date: From Fall 2021 to Spring 2022. The SOHM Diversity & Inclusion Task Force presents the Elevation Mentorship Program for the second year in a row. We are looking to put together the 2021-2022 cohort of mentees of undergraduate and medical students from communities that are underrepresented in medicine/underrepresented minorities who are interested in pediatric hospital medicine. This virtual mentorship program pairs mentees with mentors in the field, and hosts workshops throughout the year. Please email us at diversityandinclusionphm@gmail.com if you have any questions.

AAMC Virtual Medical School Fair: Strategies, and Resources for Minority Premeds and Applicants

*September 21, 2021, 11 AM - 4 PM EDT*

Register here by September 10, 2021. The AAMC is seeking current medical students to join the student lounge of the Virtual Medical School Fair to answer questions from aspiring applicants at various stages of the continuum (high school, college, post bacc, gap year, career changers). Questions will likely cover a range of topics such as: how to decide where or when to apply, how to find clinical experiences, tips for writing a personal statement, tips for interviewing, etc. This is a wonderful opportunity inspire the next generation for future docs. You can sign up for multiple times or just one hour. Either is appreciated! The deadline for signing up is Friday, Sept. 10.

10 Great Summer Reads for Doctors — Or Anyone Interested in Medicine

https://www.aamc.org/news-insights/10-great-summer-reads-doctors-or-anyone-interested-medicine

AAMC Postbacc Database

To learn more, please visit the AAMC Postbacc Page where you will find a database of postbacc programs in the country.
Register Here. This free webinar is open access to all considering careers in medicine, specifically adult congenital heart disease (ACHD) and pediatric cardiology careers. This includes college students. Doing so early in their medical career will help grow the pipeline of underrepresented minorities who pursue cardiology and its respective subspecialties. The ACPC Virtual Career Day will consist of a panel of diverse (race, gender, age, geographic location) ACHD and pediatric cardiologists who will share their personal experiences and pathways to congenital cardiology. The ACPC Virtual Career Day will be a partnership between ACC's ACPC Section and chapters where the selected HBCUs are located: the Georgia Chapter for Morehouse, the DC Chapter for Howard University, and the Tennessee Chapter for Meharry, as well as the Texas Chapter due to their high proportions of Hispanic and Latino residents. targeting medical students in any HBCU or any underrepresented group of medical students. For questions, please contact mphillips@acc.org.
