ASBA Honors Distinguished Sports Facilities

Forest Hill, MD – The American Sports Builders Association (ASBA), the national organization for builders and suppliers of materials for athletic facilities, has announced the winners of its annual awards. Awards are presented each year to facilities built by ASBA members, which best exemplify construction excellence.

Awards are presented in various categories: Tennis Courts, Running Tracks, Sports Fields, Pickleball Facilities, Multi-Purpose Facilities and Track & Field Facilities. Within some categories, there are divisions; for example, the Sports Field category recognizes single- and multiple-field facilities.

Winners of awards were announced at the Association’s 2024 Technical Meeting, presented from December 3-6 in Orlando, Florida. The meeting served as a testament to ASBA’s growing membership, as well as its reach in the industry, having a record-breaking attendance of 1,375 individuals, higher than any of the Association’s meetings to date.

“We are proud of the work done by all members of ASBA but this year’s award-winning projects showcase true excellence,” said Randy Resley, chairman of the Association. “They are not only designed and constructed to exacting standards, as well as being aesthetically beautiful, but they provide an excellent playing experience for the athletes who use them and the spectators who come to watch them.”

Projects are scored individually based on considerations such as layout and design, site work, drainage, base construction, surface, amenities, innovation and overall impression. Winning entries are those whose cumulative scores met or exceeded the standard:

Outstanding Sports Fields: Single Field Facilities

Beach Field at Bishop Feehan High School
Attleboro, Massachusetts
Gale Associates, Inc.

CITYPARK MLS Soccer Stadium, Home of St. Louis City SC.
St. Louis, Missouri
SCG Fields, LLC

Cyclone Sports Complex Field at Iowa State University
Ames, Iowa
Iowa Sports Turf Management

East Irondequoit Softball Field
Rochester, New York
LaBella Associates

Estill County High School
Irvine, Kentucky
RossTarrant Architects

Goddard Field at The Park School
Brookline, Massachusetts

The ASBA is a non-profit association comprised of designers, builders and suppliers in sports facility construction. The ASBA sponsors informative meetings, publishes a quarterly magazine, books and technical construction guidelines for athletic facilities, produces a mobile app containing diagrams of sports facilities and keeps its members aware of the latest developments in the industry. Additionally, ASBA offers voluntary certification programs in tennis court, running track and sports field construction, as well as a certificate program in pickleball court construction. It also has a philanthropic initiative, the [American Sports Builders Foundation](#) (ASBF).

For information on the ASBA, as well as on its publications, activities and upcoming meetings, contact the Association at 2331 Rock Spring Road, Forest Hill, Maryland 21050. The phone number is 443-640-1042. The ASBA also may be reached electronically via its website: www.sportsbuilders.org, or via e-mail at info@sportsbuilders.org.
