Poster Presentation Guidelines
Society for Psychophysiological Research Annual Meeting
Hyatt Regency Hotel, Vancouver, BC
September 28 - October 2, 2022

Face-to-face poster sessions will be held in Regency Ballroom C on the 3rd floor of the Hyatt Regency Vancouver Hotel.

The size of the individual poster presentations will be vertical, similar to our European meetings. The size of your poster presentation should not exceed 3.5 feet wide X 5 feet high. Your poster should be formatted to fit within those dimensions. SPR will provide tacks for adhering your poster to the board.

All face-to-face posters must be removed during the designated dismantle time for each session. The schedule for poster presentation assembly and dismantle is below.

All poster presenters are asked to check the online poster platform during the Annual Meeting. We are encouraging virtual attendees (as well as individuals attending in Vancouver) to review the posters and provide comments and questions online.

Please establish an account in Disqus so that you can converse with attendees online. If you have any questions, please send an email to meetings@sprweb.org.
