OVERVIEW of VECTRUS

GLOBAL REACH

MORE THAN 70 YEARS OF EXPERIENCE
operating globally in a wide range of conditions from modern technologically advanced areas to austere contingency-based locations.
**SMALL BUSINESS VISION and GOALS**

**Vision**

Establish and maintain a reliable source of small business suppliers and subcontractors for the maximum practical opportunity to participate in subcontracts awarded by Vectrus.

**Goals**

- Add value to the corporation by utilizing a diverse base of suppliers.
- Promote opportunities for all small businesses concerns.
- Establish positive working relationships with qualified small businesses to meet and exceed client contract requirements on small business objectives.
- Demonstrate our commitment to meeting diverse supplier base and small business goals on all applicable federal contracts.
- Help carry out the socioeconomic mission for which Supplier Diversity and Small Business Programs are designed to do.
- Build awareness throughout the organization of the contributions that successful small businesses can make to the vitality of our economy.
INVESTMENT IN SMALL BUSINESS SUPPLIERS

Vectrus Small Business Program Policy

Purpose
Commitment to building a cadre of preferred providers in the mission to support small businesses and achieve or exceed corporate goals.

Involved
Participation in supplier diversity initiatives such as workshops, trade shows, and networking activities.

Achieve
Recognition of internal teams and suppliers for outstanding achievements.

Connect
Connecting our purpose, involvement, and achievements to develop new and existing relationships with small businesses.
