

SUPPORT YOUR CHANGE PROJECT AND CULTURE

With the Cirrus Change Readiness Assessment™

When you map the readiness gap you keep the change on course.

LEADERS OWN THE RISKS

- Losing key people, morale, and productivity.
- Tracking and managing concerns from different stakeholders.
- Struggling to engage teams coping with unmet expectations and burnout.
- Assuming that the team is ready and able to change.

CIRRUS CHANGE GUIDES AND SUPPORTS LEADERS

- Discover your change champions, influencers and risks with the **Cirrus Readiness Map**.
- Understand the supports that your team needs.
- Receive a **custom support strategy** based on your team's profile of risks and strengths.
- Opt-in to follow progress over time with our **Change Reinforcement Tracker**.

LEADERS REAP THE BENEFITS

- Improved engagement, retention and communication.
- Enhanced team trust.
- Data to inform your change strategy.
- An understanding of key players and who they influence.

Understand the gaps in assumptions, trust and knowledge.

Visualize alignment, misalignment and strategies to mitigate problems .

Receive a customized action plan to master your change.

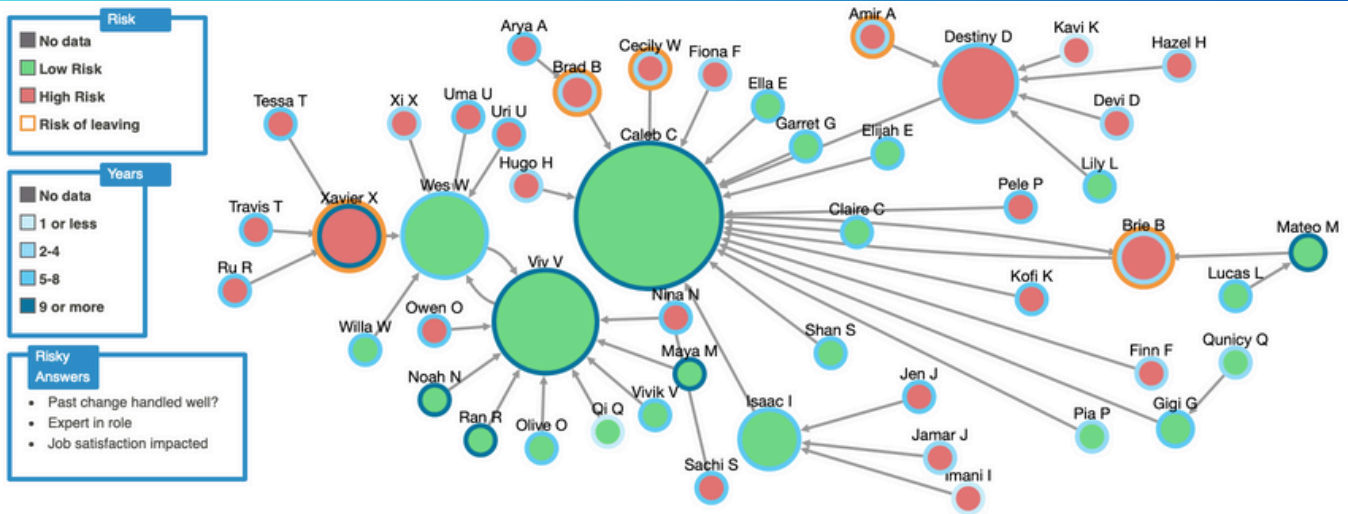

Unleash your team's potential.
