

Lunch n' Learn

According to the Centers for Disease Control and Prevention (CDC), **2 million** people are infected with antibiotic resistant bacteria each year and **23,000** people will die from these infections.

What participants will learn:

- What causes antibiotic resistance to happen
- Which illnesses should or should not be treated with antibiotics
- What can be done to prevent antibiotic resistance

Details: Lunch n' learns are 60 minutes in length. Class size restricted to 50 employees at one time. All participants will receive a free giveaway.

Cost: BHC member companies may schedule two free lunch n' learns per year. Additional sessions may be arranged for a fee of \$100 per class.

To Schedule: Contact Lauren Remspecher at lremspecher@stlbhc.org
