## HELPFUL HINTS ON HOW TO GET TO US:

We encourage you to walk if that is an option for you. Please read the following information, *especially* if you are planning on driving to the location.

### Transit (best option if you are not walking)

Our facility is easily accessible by using the TTC street car system. Simply make your way to King Street and travel East on the 504 Street Car (which runs every 10 minutes or better in regular weather conditions)

*continued....*

If you are traveling eastbound, **exit the street car at stops:**  
#4148 at Sumach Street (walk east once off the street car) OR  
#15351 at River Street (walk west once off the street car)

If you are traveling westbound, **exit the street car at stops:**  
#4142 at River Street (walk west once off the street car) OR  
#4149 at Sumach Street (walk east once off the street car)

**If you are not familiar with city and you are traveling in by the GO system, you have 2 options to get to King Street to access the 504 Streetcar.**

Option 1: Exit Union Station and Walk northbound on Bay Street to King Street. This is approximately a 7 minute walk

Option 2: Take the TTC Subway Northbound platform on the Yonge Line to King Street. (this is the first stop). Be sure to get a transfer out of the red transfer box once inside the subway gate to present to the Streetcar driver to avoid paying twice.

*It is approximately a 20-25 minute commute to our facility from Union using transit)*

**For your convenience, here is a link to transit fares:**

**If you are inclined to walk to our facility from Union Station please give yourself approximately 30 minutes.**

**If you are driving, please be aware of the Parking Options as they are limited.**

Below you will find several options for you to consider if you are driving. We suggest you give yourself extra time if you are driving

- There is paid parking on St. Lawrence Street for a maximum of 10 hours but please be aware that spots are limited. The rate is \$1.50 and you are permitted to be in these spots from 8AM to 6:00PM. You can not park on this street until 8AM! The payment machines will not allow you to purchase parking until 8AM exactly.
- There is free parking on Eastern Avenue Diversion which is just a few blocks south (see map) but once again these spots are extremely limited.
- There is a paid parking lot at 44 Parliament Street (at the corner of Mill Street) at a rate of \$2.00 /hour or \$13.00 from 7am - 6pm. This will be approximately a 10-12 minute walk to the facility. If you want guaranteed parking, this is your best bet. The lot is just behind the Staples and is above ground. This lot has a mobile payment option of that interests you by downloading the APP or visiting <http://parking.greenp.com> The Parking Lot ID is Carpark 233.
- There is another Green P lot under the Distillery Building as well at 55 Mills Street.

Here is link showing you walking directions from the Green P Parking lot (follow the blue dots):

We do not recommend you park on King Street as there is a 3 hour maximum and you will get ticketed and or towed if you exceed this.

**UBER or Regular Taxi Cab services are also an option.**

City cabs can be waived down from most locations however we do recommend UBER as a more reliable source if you are calling a cab to pick you up.
