THE COUNTY OF ESSEX (EC)

AND

THE SURETY & FIDELITY ASSOCIATION OF AMERICA (SFAA)

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is made this 23rd day of June 2009 by and between the County of Essex (EC) and The Surety & Fidelity Association of America (SFAA) and provides for the following:

Whereas -

EC has as its purpose to promote economic development and provide resources and technical support to companies and individuals seeking to do business in and with Essex County; and

EC seeks to expand opportunities for small, minority and women-owned businesses (S/M/WBEs) to work with Essex County, especially in the areas of construction and construction-related services; and

EC desires to establish a bond readiness initiative to assist S/M/WBEs to access and successfully secure bonding; and

SFAA is licensed as a rating or advisory organization in all states and has been designated by all state insurance departments, except Texas, as a statistical agent for the reporting of fidelity and surety experience, representing its member companies in matters of common interest before various federal, state, and local governmental agencies;

SFAA actively supports and partners with organizations throughout the United States to implement bond readiness programs; and

SFAA and EC are desirous of entering into a partnership to implement a Bond Readiness Initiative for S/M/WBE’s who seek to do business in the County of Essex,

SFAA and EC agree as follows:

1. The program hereby established is the Essex County Bonding Initiative, hereinafter called the “Bonding Initiative”, a partnership of the County of Essex and The Surety and Fidelity Association of America.
2. The objective of the Bonding Initiative is to assist small, minority, and/or women-owned businesses specializing in construction and construction-related services, to qualify for and access bonding or increase their bonding limits through education and direct assistance in the bonding process by working directly with the surety industry.

3. This Bonding Initiative will utilize the educational workshops and bond readiness components of SFAA's Model Contractor Development Program that has been implemented successfully throughout the country (See Attachment A).

4. EC will conduct on-going outreach to inform the small, minority, and women contractor community of the State of New Jersey about the Initiative and identify and select such companies that can best benefit from participating.

5. EC will conduct on-going activities to network S/M/WBE contractors in Essex County with the surety, banking, and financial industries through sponsoring meetings and conferences in a variety of settings.

6. EC will offer and/or coordinate access to technical assistance in areas such as project management, job costing, finance, and accounting to contractors who may need assistance beyond the educational workshops, prior to applying for bonding.

7. The SFAA will take the lead in identifying quality presenters for each of the Bonding Initiative educational workshops.

8. The SFAA will coordinate, facilitate, and/or provide access to resources of the SFAA, which will assist EC in fully and successfully implementing all aspects of the Bonding Initiative.

9. The SFAA will establish peer reviews whereby contractors are teamed up with members of the surety industry who would review their bondability. The SFAA will identify and develop a strategy and prescriptive plan to address any potential denial factors apparent from each company's profile and bonding package reviewed.

10. SFAA and the EC jointly will monitor the implementation of each company's prescriptive plan up to the point of the contractor or company successfully applying for bonding.

11. SFAA and EC will continually coordinate every aspect of program implementation to ensure that the bonding initiative is managed efficiently, including such operational matters as conducting intake and assessment for bonding, assembling company profiles and bonding packages, and providing monthly, quarterly or other periodic reports that may be necessary for program success.
12. SFAA and EC shall each bear the respective costs associated with each party’s responsibilities under this agreement or as may arise and no cost reimbursements or accounting shall be required.
