

2018 CTA of the Year Nomination Application

The CTA of the Year exemplifies the qualities that describe CTAs: professional, dedicated, ethical, knowledgeable, and respected. Each year, the TAAO local chapters nominate the CTA that they feel best represents these qualities.

The CTA of the Year is active with TAAO at the state and local chapter level and acts as a mentor for new property tax professionals. Past CTAs of the Years include several TAAO Past Presidents, Marillyn Albert Award winners, and Instructor of the Year Award winners. These individuals have also served on the board of the Property Tax Education Coalition (PTEC) and on the Professional Advisory Committee for the Texas Department of Licensing and Regulation.

Complete this form and mail or email it with all supporting information to TAAO, 2028 E. Ben White, Suite 305, Austin, TX 78741. Your nomination must be received no later than July 1, 2018.
