in helping Texans access quality healthcare
throughout this great state.

TEXAS NURSE PRACTITIONERS

4425 S. Mopac Expressway | Building III, Suite 405 | Austin, TX 78735

Phone: 512.291.6224 | Fax: 512.291.6225 | www.texasnp.org

Overview

Introduction Companies, consultants, and organizations are now being offered the opportunity to reach Nurse Practitioners throughout the state of Texas by becoming a Corporate Affiliate with TNP (Texas Nurse Practitioners). Currently, TNP has over 4,400 active members and being a Corporate Affiliate means reaching those members. Tangible benefits to the Corporate Affiliate are based on the selected Affiliate level. An Affiliate Supporter is not a legal Partner but a joining of ideas related to healthcare that will benefit both parties.

About TNP TNP, chartered in 1989, assists all NPs and students throughout Texas by advancing, supporting, and promoting the role of nurse practitioners. TNP also promotes accessible, quality health care provided by nurse practitioners in Texas. Continuing educational opportunities are only a small part of the benefits of TNP membership. Providing current information that impacts clinical practice is also dispersed to our members. TNP actively promotes legislative changes that enhance NP practices within Texas, which positively affects patient welfare.

Vision Statement Texas Nurse Practitioners is the premier resource for all nurse practitioners in Texas.

TNP Mission Corporate Affiliates will assist TNP with fulfilling their mission: promoting the professional excellence of nurse practitioners and supporting quality healthcare through leadership, education, and advocacy as well as taking an active role in helping Texans access quality healthcare throughout this great state.

TNP Values

- Ethics and Integrity in governance, practice and nursing
- Consideration of member needs and issues
- Respect for diversity within the profession
- Collaboration to enhance the professional growth of nurse practitioners
- Advocacy for continuing improvement in healthcare

Fastest Growing Occupation in Texas, Nationally Ranked

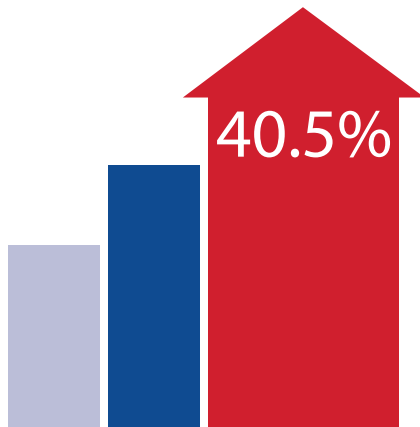

Over 15,000 NPs in the state of Texas, and growing.

In 2015 US News Reports ranked Nurse Practitioner as the 2nd Best Overall Job.

Ranked #5 job in health care nationally

One of the Fastest growing Occupations in Texas 40.5% projected growth in NPs from 2012-2022.

This national growth rate is five times the national average for other occupations, making job security for nurse practitioners very good.

NPs Can Be Found in Most Health Care Settings

What can a Nurse Practitioner do?

- Physical examination, treatment & procedures
- Order and interpret laboratory and diagnostic studies
- Family planning service
- Healthcare during pregnancy
- Well/sick care for all ages
- Health risk evaluation
- Psychological counseling
- Coordination of health care services
- Health education

NPs are Cost-Effective, Quality Providers

NPs have equal or better cost and health outcomes compared to physicians.

Five separate studies concluded that nurse practitioners (NPs) expand access to care, improve patient health outcomes, boost rural health care, lower primary care costs and reduce emergency room admissions.
