

QR CODE SCAVENGER HUNT

Can you find all of the IDA member exhibitors at SEMA?

We've compiled a list of 30 proud members of the IDA that are exhibiting at SEMA 2024, and we invite you to find them all. Each booth has a unique QR code that can be found on their IDA table tent (pictured to the right). Simply scan the code and complete the form to be submitted in a prize drawing for an IDA merch item. The more booths you find, the more times your name will be entered.
