WHAT ARE PEOPLE SAYING ABOUT US?

“NWSNC transport allows us to promote the program in our communities, allows each organization to focus on their strengths (i.e. brick and mortar), boots on the ground.” - Sally, Founder of South County Cats

"Pierce County is fortunate enough to have not one, but TWO free or low-cost spay and neuter options. Even better, both organizations offer mobile spay and neuter or transport options. Pasado’s Safe Haven and Northwest Spay and Neuter Center, through our combined efforts, are able to go to the areas where a vast majority of the households lack sufficient transportation to take their pet to be altered. We are able to coordinate our calendars and assist each other with our organizational unique needs to overcome obstacles that get in the way of spaying and neutering more animals. “- Jenny, Pasado’s Safe Haven
