

## Commercial Card *Classic* Common Uses

*Streamline your procure-to-pay process with a single solution for procurement and travel expenses.*

For many organizations, a card program has become the payment tool of choice for all types of expenditures. And with more business-to-business buying occurring online, card programs have become a business necessity.

Commercial Card *Classic* is our Web-managed, “one card” program that provides the flexibility and convenience to manage procurement and travel expenses easier with versatile card controls, online transaction approval and data integration into your accounting system.

Count on Commercial Card *Classic* to take your purchasing process to the next level for any of these purchases.
