

SAN ANTONIO - - - A GOOD TIME HAD BY ALL

MORNING BREAKFAST MEETINGS

San Antonio was a Wonderful Location for our Winter Meeting.
There were a variety of activities to do, and the programs presented were exceptional. We "kick started" our committee with this Morning Meeting.

THE JOINT MEETING WAS WELL ATTENDED

Health Care, Civil Rights, Public Entity Liability and Trial Tactics Practice & Procedure This presentation concerning the use of the iPad in the courtroom - - Tom Oaks, Bob Christie assisted, along with Dan McCune. It was well received with many questions, and everyone departed with excellent information. The follow up will be to have additional seminars on the topic of simplicity with which the iPad can be used as a Trial Director in the courtroom, and the ease of transmitting the information to either a TV screen or a projector, and getting visual information to the jury. It is this Sharing of Experiences and Information among FDCC members that becomes invaluable to each one of us in our practice of law. The Enthusiasm, the Energy, and Eagerness to Encourages all of us to Expand our knowledge base, and Enriches our FDCC members.

We Congratulate You - - - on a Program Well Done !
