LET'S CONTINUE TO THRIVE TOGETHER

On behalf of the LIFE Board of Directors, thank you for your membership and support during these unprecedented times. As we move forward, please join me in renewing your annual membership, starting this Wednesday, July 1, so you can remain part of The LIFE Institute community. And invite your friends and family to join, too. LIFE's virtual "classrooms" are wide open for registrations well beyond Ryerson and the GTA.

LIFE's dedicated staff and volunteers are working tirelessly on your behalf to help navigate this shared journey in the new virtual world. As a result, you can expect an ongoing lineup of engaging online lectures, seminars, and "events" right through to spring 2021, and forward.

LIFE's priority is to continue delivering on our mission to enable adults 50+ to pursue their passion for life-long learning through a wide range of educational courses, activities, and related opportunities to volunteer. At the same time, we endeavor to protect the well-being of our staff, volunteers, and members, as well as sustain LIFE's financial viability.

Our organization is strong because of you. Let's continue to thrive together.

If you have any questions about the renewal process or any feedback to provide, please contact Mackenzie Deane info@thelifeinstitute.ca.

Your fellow LIFE member and Board Chair,

Milvi Ester
