

# 11TH ANNUAL CONFERENCE

SHARED VALUES FOR A PROSPEROUS FUTURE

Mobile, Alabama  
June 3-5, 2018

We hope you will consider participating as an Anchor company in the upcoming SEUS-CP Conference: Shared Values for a Prosperous Future hosted by Alabama, June 3-5, 2018.

The SEUS-CP Conference: Shared Values for a Prosperous Future will focus on three industry sectors: transportation, ICT and energy, and again will feature pre-arranged B2B meetings; sessions about industry insights and best practices; and networking events.

Anchor companies from all of the SEUS-CP member jurisdictions attend the annual conference and define the business opportunity for the B2B program. Anchors are generally larger organizations with diverse supply chains that understand the importance of meeting potential suppliers of innovative technologies, products or services; and often have supplier development initiatives in place. Anchors are also integrators of technologies or institutions/research centres that work with small- and medium-sized companies to help develop products or market opportunities. **There is no cost** for being one of the Anchor Companies, but you must commit staff to participate in the B2B program. In exchange for your participation, we will provide you with the following **Anchor Company Benefits:**

- ♦ Access to 200+ participating companies from across the SEUS-CP member jurisdictions
- ♦ Pre-conference and on-site assistance with a customized curated B2B program
- ♦ Opportunity to meet political and business leaders from the SEUS-CP jurisdictions
- ♦ VIP seating and acknowledgment at various sessions
- ♦ Complimentary conference passes
- ♦ Company branding on digital and print materials
