

# 11TH ANNUAL CONFERENCE

SHARED VALUES FOR A PROSPEROUS FUTURE

Mobile, Alabama  
June 3-5, 2018

Broaden Your Access to Global Business & Resources

The SEUS-CP Conference will feature 3 sector-specific programs on transportation (automotive, aerospace, shipbuilding), energy and ICT. Numerous activities including networking events and business-to-business (B2B) meetings will allow participants to engage with Canadian and southeastern United States government officials, key industry players, and new and existing customers.

## CONFERENCE DETAILS:

**Conference Hotel:** The Battle House Renaissance Hotel & Spa, located at 26 North Royal Street. A preferred conference rate of \$155.00/night is available to attendees until May 6, 2018.

**Registration:** \$350.00 USD includes conference activities, networking events and pre-arranged B2B meetings.

**B2B Meetings:** Profiles are required for delegates to participate in the prearranged B2B meetings with conference “anchor companies” and fellow attendees. Once you have registered for the Conference, you will be required to complete your company profile, if you would like to participate in the B2B program. A third party consulting firm, Market Access International, will contact you to review and discuss your interests and objectives and ensure that your meetings meet your goals and expectations.

## WHO SHOULD ATTEND:

The SEUS-CP alliance annual conference is a dedicated trade education and business matchmaking event for **international and domestic businesses and investors; economic development professionals; state and local government officials; and entrepreneurs and academics.**
