

Ontario PNAAC Conference Program

February 13-15, 2018

Seattle, Washington

Invitation

The Ministry of International Trade of the Government of Ontario invites you to participate in the annual Pacific Northwest Aerospace Alliance (PNAAC) Conference, offering a unique opportunity to identify new business opportunities and partnering possibilities. It delivers vital industry intelligence and analysis about the aerospace marketplace and supply chain in a venue hosting hundreds of executives from leading aerospace companies from around the world.

PNAAC 2018

(<https://www.pnaac.net/events/annual-conference/2018-conference>)

Brings together speakers from:

- Boeing, Airbus, Bombardier, Embraer...
- Tier 1 and 2 Supply Chain Partners
- Leading Industry Analysts, including the “anchor” Richard Aboulafia presentation

Features:

- Latest aerospace business outlook
- Presence of the who’s who in the Boeing aerospace supply chain
- Grow your company contacts at networking breaks, lunches and receptions inside and outside the conference
- An ever more popular very focused Suppliers Fair (including one-on-one meetings with OEMs)
- Industry experts identify new technologies and developments that might affect your business
- Engage in hosted receptions featuring diverse industry participation

The Ontario program offers:

- Support for the keynote conference lunch provides a high impact opportunity to present the Ontario Delegation to the audience, including a promotional Ontario participant PowerPoint slide presentation and in the Ontario PNAAC Participant Directory distributed at that time
- The conference provides numerous opportunities designed to facilitate meeting and networking with OEM and supplier executives involved in aerospace manufacturing, purchasing, logistics, information systems and technology, engineering, etc.
- An invitation only Ontario Dinner featuring a number of notable industry guests
- Ontario Display Table available to participating Ontario delegates for company promotional material, as well as providing a point of contact with other conference delegates.
- Boeing Plant site visit (available at extra cost directly through the PNAAC)
