Foreword

The Tennessee Independent Colleges and Universities Association (TICUA) is pleased to present *Characteristics Fall 2022*. This twenty-first edition of the report highlights trends in student participation, affordability, and degree completion for our member institutions and their students through the 2022 fall semester.

Our 34 member colleges and universities educate over 76,000 students from across the state, throughout the country, and around the world. TICUA member institutions enrolled 27% of the students in Tennessee but awarded 32% of all degrees in the State.

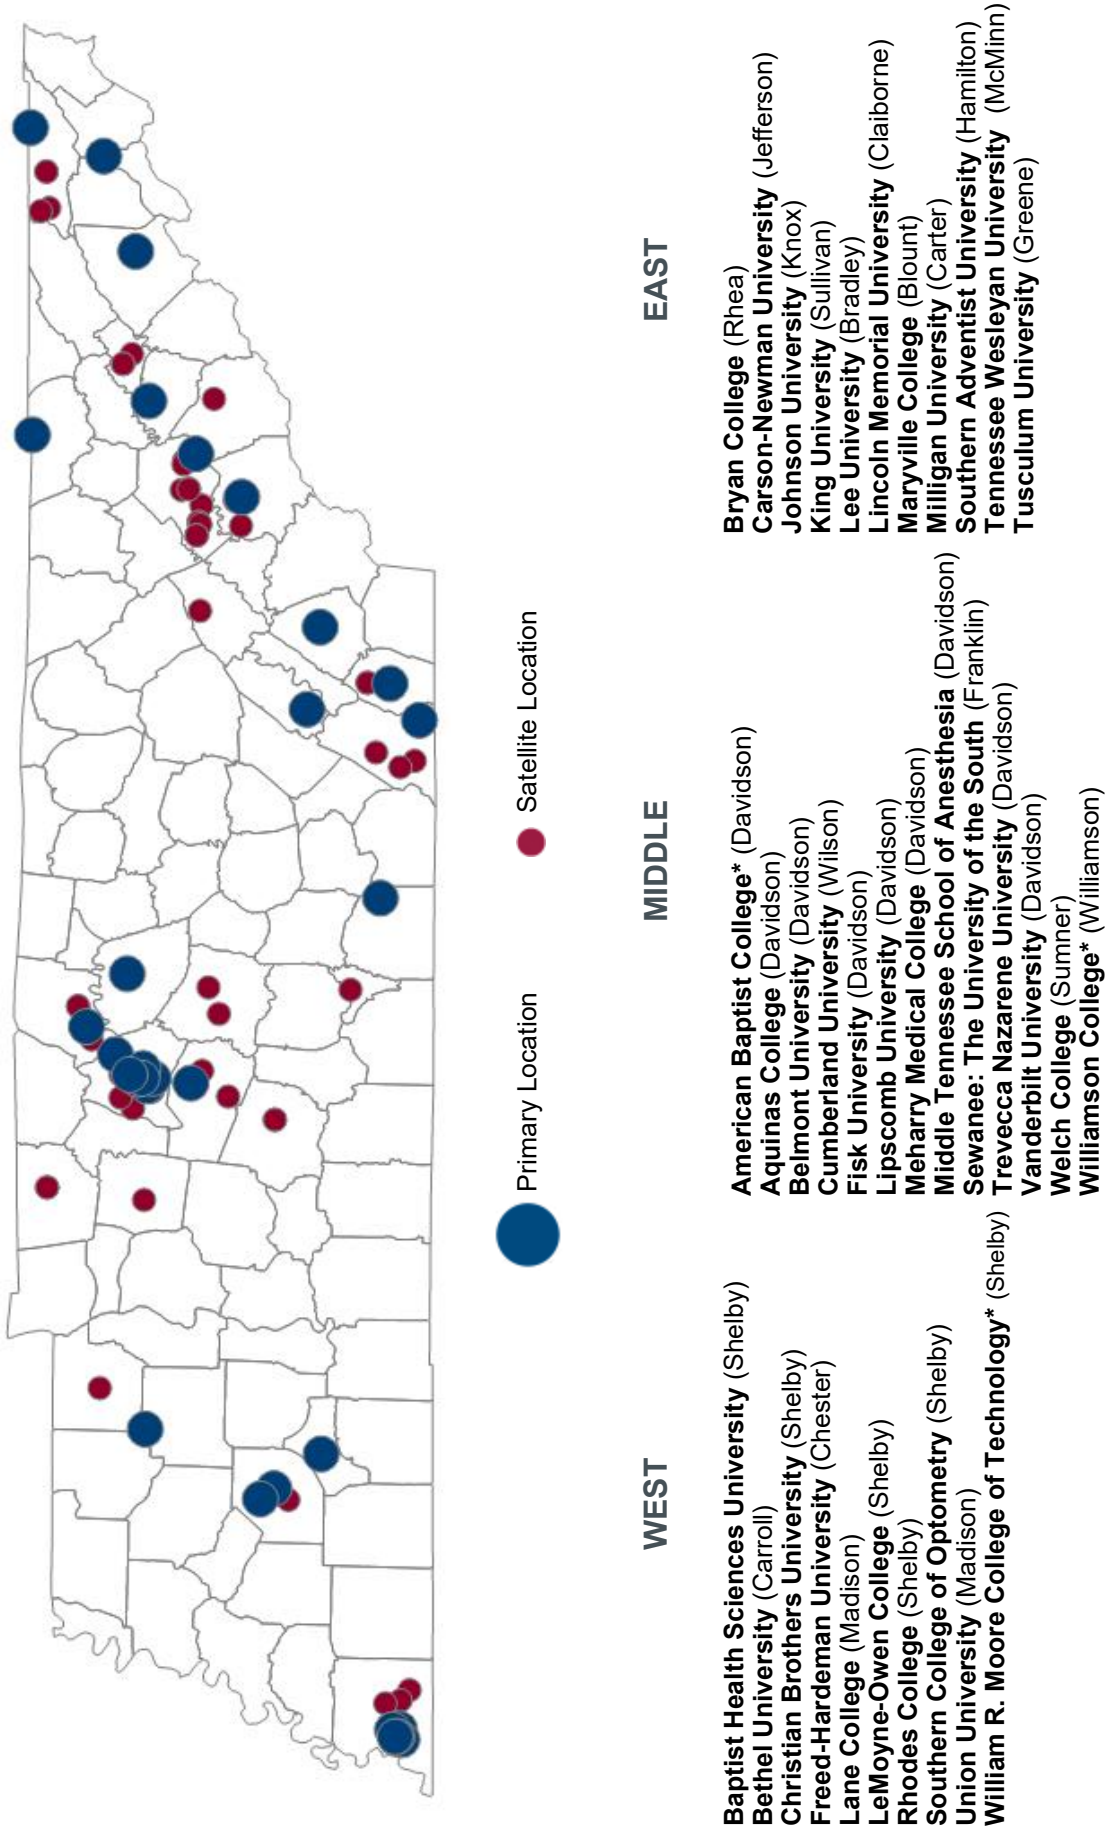

This document has four distinct sections. Section One provides a one-year snapshot of students at independent colleges and universities in Tennessee. Section Two provides a one-year snapshot of employees at TICUA member institutions. Section Three presents trends over time at the independent colleges and universities. Section Four offers comparisons of the independent educational sector to public education in Tennessee. Two appendices extend a detailed picture of each of the member campuses.

We hope that *Characteristics Fall 2022* is informative to you. Together these sections are intended to inform campus, business, and government leaders who provide direction for higher education policy at the institution, local, state, and federal levels. We strive to ensure that the information contained in this publication is as accurate and current as possible.

The data contained in this report were furnished by member institutions as part of TICUA's enrollment and completions reporting cycle. Additional data sources, if any, are indicated by notes accompanying each figure. We wish to thank our member institutions for working with us over the years to accurately and timely reflect the contributions of Tennessee independent colleges and universities.

We welcome your thoughts and comments on this publication at research@ticua.org.

TICUA Highlights

PARTICIPATION:

Enrollment by Headcount

- TICUA member institutions enrolled more than one-quarter (27%) of the students attending college in Tennessee.
- Fall 2022 headcount enrollment at TICUA member campuses was 76,367. Enrollment at TICUA member campuses decreased 2% from Fall 2021.
- Females comprised 57% of the total enrollment at TICUA member colleges and universities.
- Minority students composed nearly one-third (28%) of the undergraduate students attending TICUA member colleges and universities.
- 47% of students attending TICUA member institutions were Tennessee residents, while 53% were from other states and countries.
- TICUA member colleges enrolled students from every county in the State.

Enrollment by Full-time Equivalency (FTE)

- Fall 2022 FTE enrollment was 66,345.

AFFORDABILITY:

Grant Aid

- Institutional aid accounted for 79% of all grant aid given to students attending independent colleges and universities, followed by 10% from the State and 10% from the federal government.
- Independent institutions provide the majority of grant aid to their students. Nearly all first-time freshmen receive some form of aid.

Tennessee Educational Lottery Scholarship Award (TELS)

- In Fall 2022, 11,489 students attending TICUA institutions received a TELS award.

Tennessee Student Assistance Award (TSAA)

- In Fall 2022, 7,012 students attending TICUA member campuses received the TSAA. The per-student average yearly award amount was \$3,874.

Federal Pell Grant

- In Fall 2022, 27% of all undergraduate students (14,607) and 33% of Tennessee undergraduate students (8,589) attending TICUA member campuses received the Federal Pell Grant award. The per-student average yearly award amount totaled \$5,318.

Tuition and Fees

- In the 2022-2023 academic year, tuition and fees at TICUA member colleges and universities averaged 29% less than the national average (\$27,877 compared to \$39,040).

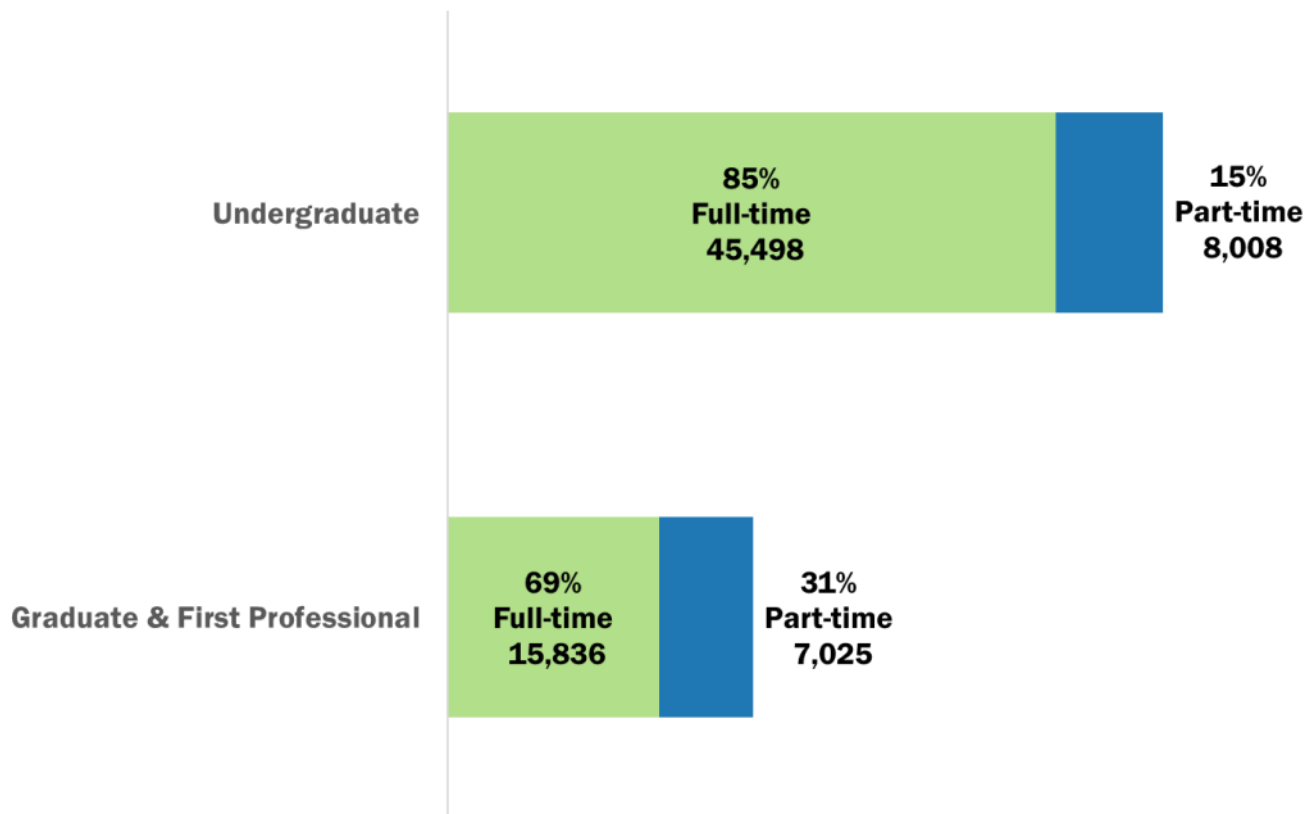

COMPLETION:

- Sixty-three percent of students at Tennessee's independent colleges graduate within 6 years compared to 56% at the State's public universities.
- TICUA member campuses awarded more degrees than any other higher education sector in the State.
- In 2021-22, member colleges and universities graduated over 4,700 health care professionals, nearly 3,600 business and management leaders, and over 2,400 educators.
- In 2021-22, member colleges and universities awarded 2,979 STEM (Science, Technology, Engineering, and Math) degrees.
