Teachers and government employees enjoy lifetime pensions. It's time the legal community had them too!

In 2016, CBIA/Lawyers Financial struck a Task Force comprised of leading pension experts who have spent two years developing a national, multi-employer pension plan to provide life-time pensions designed specifically for law firm staff and partners.

The new design is an innovative pension plan designed for law firm staff, associates and partners; one that will deliver **predictable and sustainable lifetime pensions** at about half the cost of the average defined contribution (DC) or group RRSP plan, without the employer funding risk of a defined benefit (DB) plan.

Come to this session to:

- Hear about the concept of a **Target Benefit** pension plan
- Learn how this can **positively affect your retirement**, and,
- Provide your input to **help shape** the final product.

Speakers: **Randy Bauslaugh**, Partner, McCarthy Tétrault LLP
Dawn Marchand, VP Marketing, CBIA/Lawyers Financial
