Thinking about going out on your own, but don't know where to start?

From what technology to use, to office space versus a virtual office, there are so many decisions to make. In a changing landscape of the delivery of legal services, there are a number of options that get away from traditional notions of what a law practice should look like.

But, setting up a sole or small practice doesn't have to be a daunting venture!

**This program has been designed to give you a good handle on where to start and what questions to ask.** Four different lawyers who set up practices in different ways with different levels of seniority will share their stories on how they did it in a roundtable discussion.

Speakers: **Gosia Bawolska**, Cadence Litigation  
**William Hutcheson**, Hutcheson Law  
**Erin Cowling**, Flex Legal Network Inc.  
**Noah Singer**, Singer Business Law

Moderator: **Tannis Waugh**, Tannis A. Waugh, PC
