TLN Delivery Policy as of 5/4/2020

- Libraries will quarantine all materials for a minimum of 24 hours whether materials are coming through delivery or go back on their shelves

- TLN will not be quarantining materials as it is expected all libraries will do so

- If possible, spray or wipe bins/tubs with disinfectant after removing materials and before placing any materials in them

- TLN will re-open delivery and all services when the Governor provides authorization for libraries to re-open

- When delivery service restarts, TLN Delivery Drivers will practice social distancing and will wear mask and gloves

- Do not use TLN tubs to quarantine materials
