QUICK VISIT SCRIPT

Good morning. My name is **[Name]**, and I am a constituent from **[City]**.

I'm here today to ask for your support of **[Bill Number]**, legislation that establishes affordable copays for physical therapy.

Too many Texans are unable to complete medically necessary therapy because their copays are significantly higher than those for physician visits. This creates unnecessary barriers to care and ultimately increases health care costs.

Thank you for your time and for considering this important legislation.
