SEMINAR OBJECTIVES

- Identify roles for pharmacy professionals in the emergency department
- Provide opportunities for professional development
- Appraise clinical data for a variety of emergency medicine topics
- Create evidence-based recommendations for critically ill patients in the emergency department

The Texas Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. These continuing professional education programs may provide up to 10.0 contact hours (1.0 CEUs) of continuing pharmacy education. This education has been designed with pharmacist and technician learners in mind. To receive credit for participation in this live educational session, you must claim your credit via the CPE Portal (<https://cpeportal-tshp.wcea.education/>) no later than August 31, 2021. A live event "secret code" will be provided during the session, you must retain credit. A session evaluation must be completed through the online portal for credit to be issued. Access to an Internet enabled computer is required and use of the Mozilla Firefox browser is recommended. Accurate NABP profile and date of birth information is required for successful credit submission. It is the responsibility of the participant to ensure credit has been successfully transferred to their My CPE Monitor Profiles. TSHP is not responsible for loss of credit to participants that do not ensure credit issuance to their My CPE Monitor Profiles by August 31, 2021.
