LEARNING OBJECTIVES

1. Identify recent changes in Texas pharmacy rules
2. Review the most common warning notices issued to pharmacies compounding sterile preparations in Texas
3. Evaluate different modalities of continued renal replacement therapy (CRRT) and anticoagulation
4. Evaluate medication doses for patients on CRRT
5. Discuss requirements for monitoring controlled substance prescriptions to combat the opioid epidemic
6. Understand the pharmacological properties and risks of opioids
7. Distinguish the different anticoagulation reversal agents currently available on the U.S. market
8. Elaborate on recommendations for the utilization of pressor therapy in septic shock
9. Define primary, secondary and tertiary drug information resources
10. Compare and contrast the major secondary resources available for drug information retrieval.
11. Understand the pathophysiology of Acute Coronary Syndrome
12. Identify the drug classes utilized for patients with

SPEAKER BIOGRAPHIES

Terri Burrows, PharmD, JD, is a graduate of the University of Oklahoma College of Pharmacy (B.S.) and a graduate of the University of Texas College of Pharmacy (PharmD). She also completed a Master's Degree in Patient Safety & Risk Management at the University of Florida College of Pharmacy and received a law degree from Concord Law School. Dr. Burrows currently serves as a Compliance Officer for the Texas State Board of Pharmacy, **German Lozano Guzman, MD** is a professor of Pediatric Nephrology at Texas Tech University Health Sciences Center. Dr. Guzman worked as an assistant professor in the Physiology department at the University of Tolima School of Medicine prior to receiving his training as a Pediatric nephrologist at Dallas Children's Hospital, UT Southwestern. His professional interests include pediatric hypertension, dialysis, and chronic kidney disease.

Patrick Leung, PharmD, BCPS, PhC is the Manager of Pharmacy Clinical Services at Memorial Medical Center (MMC), the program's current residency director, and a faculty member at Southern New Mexico Family Medicine Residency since 2002. He received his Bachelor of Pharmacy and Doctor of Pharmacy degrees from Washington State University.

Mary Chavez, PharmD currently serves as Associate Dean of Academic Affairs at the University of Texas at El Paso. She has authored over 100 publications including book chapters, monographs, and peer-reviewed articles and is a Fellow in the American Association of Colleges of Pharmacy. In addition, she has served on the editorial boards of several peer-reviewed journals.

Michelle Aguirre, PharmD is currently a PGY-2 Pharmacotherapy resident and clinical instructor at The University of Texas at El Paso School of Pharmacy. She received her Doctor of Pharmacy degree from The University of Texas at Austin College of Pharmacy. Dr. Aguirre completed her PGY-1 pharmacy residency at Medical Center Health System in Odessa, Texas. **Jennifer Hartman, PharmD, BCPS, BCCCP** is a graduate of the University of Florida College of Pharmacy. She went on to complete a PGY-1 residency in Pharmacy Practice at Shands Jacksonville Medical Center in Jacksonville, FL followed by a PGY-2 residency in Critical Care at Renown Regional Medical Center in Reno, NV. Currently, she serves as a Clinical Assistant Professor of Pharmacy Practice with the UTEP School of Pharmacy and maintains a practice site at UMC of El Paso with the Trauma/Surgery team.

Linda Yang, PharmD completed her pharmacy degree at the University of Connecticut School of Pharmacy. She is currently a PGY-1 Pharmacy Resident at the University Medical Center of El Paso. She is certified in Advanced Cardiovascular Life Support and Mental Health First Aid. She is currently completing her teaching certificate through the University of Texas at El Paso School of Pharmacy.

Joanna Martinez-Mendez, PharmD received her Doctor of Pharmacy degree from Lake Erie College of Osteopathic Medicine (LECOM) School of Pharmacy. She is currently a PGY-1 Pharmacy resident at the University Medical Center of El Paso and clinical instructor with the University of Texas at El Paso (UTEP) School of Pharmacy. She also serves as the treasurer for the El Paso Area Society of Health-System Pharmacists.

The Texas Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This continuing professional education program provides 1.0 contact hour (0.1 CEUs) of continuing pharmacy education. This education has been designed with pharmacist learners in mind. To receive credit for participation in this live educational session, you must claim your credit via the TSHP Education Portal (<http://tshp.wcca.edu/education/>) no later than April 23, 2019. A live event "secret code" will be provided during the session, you must retain this code to claim your credit. A session evaluation must be completed through the online portal for credit to be issued. Access to an Internet enabled computer is required and use of the Mozilla Firefox browser is recommended. Accurate NABP profile and date of birth information is required for successful credit submission. It is the responsibility of the participant to ensure credit has been successfully transferred to their My CPE Monitor Profiles. TSHP is not responsible for loss of credit to participants that do not ensure credit issuance to their My CPE Monitor Profiles by April 23, 2019.
